Occupation: attorney and community volunteer

Length of Time Living in Castle Pines: We relocated to Castle Pines in 2015 due to a job transfer and immediately fell in love with Castle Pines.

What do you value most about Castle Pines: I value Castle Pines' close-knit community, outdoor lifestyle and the great relationships I've formed with my neighbors all over town.

What are your issues of concern? I'm committed to keeping government transparent, smart decision-making for residential and commercial areas, supporting our kids' mental health, and fiscal responsibility. In the past 3 years, I've championed Castle Pines' interests in transportation safety and development, on new developments to make sure they are connected for walking/running/cycling, and creating solid relationships with area city, county, state, and federal officials to ensure that any new projects enhance our life here Castle Pines.

What is your reason for seeking office? I would like to continue my work to ensure we have support for Castle Pines' kids, fine recreation amenities here at home, vibrant businesses and entertainment in Castle Pines, and proper infrastructure. I want to keep Castle Pines great and see it thrive.

If Elected, what do you hope to contribute to the City of Castle Pines? I will continue listening to residents to ensure their voices are heard and that decisions of City Council reflect their desires and needs. Funding for roads and recreation is paramount, and I'll carefully consider all options available. I will continue advocating around the Denver Metro area on the value of doing business in Castle Pines, to help attract business that are needed and foster an environment where they will succeed.

I have served the City for 3 years, contributing over 25 years of experience in volunteer service and the law. I currently serve on 2 youth advocacy/service boards, as an officer in a local non-profit dedicated to historical education and patriotic service, and as a CSU Master Gardener. I also enjoy golf, running/obstacle racing and cooking for family and friends.
