

3601 Rules of Construction

- 3601.01 The particular controls the general.
- 3601.02 In case of any difference of meaning or implication between the text of this Ordinance and the captions for each section, the text shall control.
- 3601.03 The word "shall" is always mandatory and not directory. The word "may" is permissive.
- 3601.04 Words used in the present tense include the future, unless the context clearly indicates the contrary.
- 3601.05 Words used in the singular number include the plural, and words used in the plural number include the singular, unless the context clearly indicates the contrary.
- 3601.06 A "building" or "structure" includes any part thereof. A "building or other structure" includes all other structures of every kind, regardless of similarity to buildings.
- 3601.07 The phrase "used for," includes "arranged for," "designed for," "intended for," "maintained for," and "occupied for."

3602 Definitions

As used in this Ordinance, the following words shall be interpreted and defined in accordance with the provisions set forth in this Section or by further modification by the City Council.

Abutting: Having a common border with, or separated from such a common border by a right-of-way, alley or easement.

Accessory Equipment: An enclosed structure, cabinet, shed or box that houses power boxes, electrical equipment, and other related equipment of a telecommunication or personal wireless communication facility.

Accessory Structure: A subordinate structure detached from but located on the same lot as the principal structure, the use of which is incidental and accessory to that of the principal structure.

Accessory Use: A use naturally and normally incidental to, subordinate to and devoted exclusively to the principal use.

Adjacent: Having a common border with, or separated from such a common border by a right-of-way, alley or easement.

Adopted Level of Service: See "level of Service, Adopted."

Agricultural Recreational Activities: Special activities related to livestock held for educational, instructional, or recreational purposes, including but not limited to horse shows, gymkhanas, training clinics, team ropings, rodeos, polo matches, endurance rides, hunts, or other activities involving livestock.

Agriculture: Farming, ranching, animal husbandry, and horticulture - Land used for grazing domestic animals or land used to produce products that originate from the land's productivity.

Agricultural Worker: An individual employed in the operation of a farm or ranch.

Airport: Any area of land or water designed for the landing and take-off of aircraft for business or commercial purposes, including all necessary facilities for passenger and cargo loading, maintenance and fueling facilities and housing of aircraft.

Alley: A public or private vehicular passageway dedicated or permanently reserved as a means of secondary access to abutting property and designated an alley on a final plat. An alley shall not be considered to be a street.

Animal - Exotic: An animal introduced from another country not normally kept as a household pet or farm animal. (*See animal - nondomestic.*)

Animal - Household Pet: A small animal customarily permitted to be kept in a dwelling for company or pleasure, including, but not limited to, dogs, cats, pot-bellied pigs, gerbils, hamsters, tropical fish, or common house birds, provided that such animals are not kept to supplement food supplies or for any commercial purpose. A limit of 1 litter, brood, or offspring is permitted, per household, per year.

Animal - Nondomestic: An animal not normally adapted to live and breed in a tame condition. (*See animal - exotic.*)

Antenna: A system of wires, rods, reflecting discs or similar devices used for the wireless transmission or reception of electromagnetic waves.

Directional (or panel or rectangular): A flat surface antenna used to achieve transmission or reception from a specific direction.

Parabolic: A round, often concave, antenna no greater than 24" in diameter used primarily for point-to-point transmission of radio signals.

Omnidirectional (or whip): A thin, self-supporting rod antenna that beams and receives a signal in all directions.

Satellite Dish: A ground mounted antenna, generally exceeding 24" in diameter, incorporating a solid, open mesh, or bar configured surface used to transmit or receive radio or electromagnetic waves.

Antenna Array: Groups of directional panel antennas designed to send and receive wireless transmissions.

Applicant: ~~For purposes of the Concurrency Management Resolution,~~ the property owner, or duly designated representative of the property owner, who submits an Application for Development Approval.

Application for Development Approval: ~~For purposes of the Concurrency Management Resolution,~~ an application for residential rezoning or an application for a residential use by special review.

Available Capacity: Existing Capacity and Planned Capacity less Existing Demand and demand that will be generated by Committed Development.

Avigation Easement: An easement that allows the grantee the right to use the airspace. The easement may include restrictions regarding the height of structures, the use of reflective glass, or the interference of radio transmissions by the grantor and an acknowledgment by the grantor that airplanes flying overhead may present a physical danger, increase noise levels or cause pollution.

Base Flood: The flood having a 1% chance of being equaled or exceeded in any given year. (*Refer to Flood - 100 year*)

Batch Plant - Concrete, Mortar, or Asphalt: A site, together with its accessory facilities, where sand, gravel, cement and various petroleum derivatives are compounded to manufacture concrete, mortar or asphalt.

Bed and Breakfast: A dwelling where a maximum of 5 guest units for overnight or otherwise short-term temporary lodging is provided and may include meals. The operator of the facility shall live on the property. (*This does not include hotels/motels.*)

Berm: Mound of earth used in landscaping for screening, definition of space, noise attenuation or decoration.

City Council: The City Council of Castle Pines; the governing body of the City of Castle Pines.

Borrow Site: A site used for the extraction of earthen materials such as sand, gravel, rock, dirt, etc., where the material is removed from the legally described site and characterized by a short-term operation and a limited quantity of earthen material.

Buffer Area: An area of land established to separate and protect one type of land use from another, to screen from objectionable noise, smoke or visual impact, or to provide for future public improvements or additional open space.

Building: Any permanent structure, or portion thereof, built for the shelter or enclosure of human beings, animals, or property of any kind and excluding signs or fences.

Building Envelope: The portion of a lot within applicable setback requirements where building construction will be permitted, or other activities if so limited or described on the plat.

Building Height: To measure building height refer to the International Building Code as amended and adopted by the City Council.

Spire Height Calculation (see diagram)

Campground: An area or tract of land on which accommodations for temporary occupancy (not to exceed 30 days in any one calendar year) are located including the parking or placement of camping and travel trailers, motor homes, truck campers or tents used for human occupancy.

Capacity: The maximum demand that can be accommodated by a public facility without exceeding the adopted level of service as determined by the service provider.

Capital Improvements: Large scale physical assets constructed or purchased to provide, improve, or replace a costly public facility. The cost of a capital improvement is generally non-recurring and may require multi-year financing. "Capital improvements" shall include physical assets providing additional capacity needed to accommodate the demand for public facilities generated by a proposed residential development and shall include water facilities, wastewater facilities, fire protection facilities, streets, public schools and regional parks.

Capital Improvement, Planned: A capital improvement which does not presently exist, but which is included within a capital improvements program.

Capital Improvements Program: A master plan or budget document for an entity responsible for providing a public facility, and which provides the following information:

- (1) Public facilities to be constructed within 6 years which provide additional capacity;
- (2) Currently available revenue sources to be used to fund the provision of said public facilities;
- (3) The anticipated date by which said public facilities will be constructed or when the capacity added by said public facilities will be available;
- (4) The location and service area of said public facilities.

Carrier: A company that provides personal wireless communication services.

Spire Height Calculation

Cellular Communication: A type of personal wireless communication service consisting of low-power mobile radio communication that occurs through a network of radio wave transmitting devices.

Centennial Airport Review Area (CARA): An overlay district intended to allow for compatible land-use planning in the vicinity of Centennial Airport. The overlay district includes three components; safety zones, noise zones, and height zones as depicted in Figure 19-1.

Central Water: Water service provided by a special district formed pursuant to the Special District Act, C.R.S. § 32-1-101, et. seq.

Central Sanitation: A centralized wastewater collection and treatment facility approved by Tri-County Health Department and the Colorado Department of Health including at a minimum, secondary wastewater treatment, subject to any waste discharge permits required by the State.

Channel: A natural or artificial watercourse of perceptible extent, with definite bed and banks to confine and conduct continuously or periodically flowing water. Channel flow is that water which is flowing within the limits of the defined channel.

Church: A building, where people regularly assemble for worship, together with its accessory buildings and uses, maintained and controlled by an organization to sustain public worship.

Clinic - Dental or Medical: A facility licensed and used for the provision of medical, dental, surgical or mental health care of the sick or injured, but excluding therefrom inpatient and overnight accommodations.

Club (Country Club): Individuals gathered for social, educational or recreational purposes, including buildings or facilities owned/operated by such organization, excluding a golf course unless specifically permitted in that zoning district.

Collocation: The circumstance occurring when one or more carriers install antenna arrays on the same single structure.

Colorado Medical Marijuana Code: Means Sections 12-43.3-101, et. seq., of the Colorado Revised Statutes, as may be amended. (Ord 11-11)

Colorado Medical Marijuana Program: Means that program defined by Section 25-1.5-106(2)(d) of the Colorado Revised Statutes, as may be amended. (Ord 11-11)

Committed Development: Committed development includes:

- (1) unbuilt development with an approved determination of concurrency;
- (2) all building permits and final platted lots located in the **Primary Urbanization Area** and

- (3) all building permits and final platted lots (platted after 7/31/95) located in the **Separated Urbanization Area and Nonurban Area.**

Developments not counted by the City, include all final platted lots located in **Nonurban Areas and Separated Urbanization Areas** of the City existing on the effective date of this Ordinance.

Commitment to serve: (as related to water supply) - A letter stating the water district's "intent to serve" the project, or at the time of final/minor development plat application, a letter stating that the water district "will serve" the area of the final/minor development plat.

Comprehensive Master Plan: The City Comprehensive Master Plan as adopted by Planning Commission resolution. The City Comprehensive Master Plan is the long-range plan intended to guide the growth and development of the City, and is inclusive of supplemental plans which may be adopted and incorporated by Planning Commission resolution.

Condominium: A legal form of ownership whereby an owner gains title to an interior air space dwelling unit, together with interest in the common areas and facilities appurtenant to such units.

Confinement Center: An animal feeding operation where livestock are kept and fed in close quarters until they are shipped to market.

Contiguous: In terms of determining the area devoted to the cultivating, producing, possessing or processing of medical marijuana and medical marijuana plants, means an uninterrupted expanse of space on the same floor or level of the primary residence that can be measured by framing the area with four or more continuous and connected straight lines. The space within a single room which is defined by permanent perimeter walls is contiguous; the space within adjoining rooms divided by a permanent wall or permanent structure but accessible via a common doorway or connected by a common hallway is contiguous; however, nonadjacent spaces separated by two (2) or more permanent walls or separated by floors or levels of the building are not contiguous.

Convenience Store: A small retail or service commercial use, which provides limited food products, household items or other goods or services commonly associated with the same, which do not typically offer comparison shopping opportunities.

City: Castle Pines, Colorado.

Cultural Facility: A building or area designed and intended for intellectual or artistic activities, including a museum, art gallery, outdoor amphitheater, fairground, sports stadium/arena, performing arts center, or similar facility.

Currently Available Revenue Sources: An existing source or amount of revenue presently available to the City or the entity providing a public facility; provided, however, that this term shall not refer to a mere intent to increase the future level or amount of a

revenue source, nor to a revenue source which is contingent on ratification by a public referendum.

Day-Care Center/Preschool: A commercial facility where care and training is provided for children or adults for periods of less than 24 consecutive hours.

Day-Care Home:

- small - A residence in which care is provided for up to 6 children or adults, including the provider's own children, plus 2 additional children of school age either before or after school hours, and on days during the regular school year when school is not in session, such as conference days/in-service days and holidays, including summer vacations or off-track periods in year-round schools when the child does not attend classes. If the applicant has an experienced Child Care Provider License, a maximum of nine children may be permitted in accordance with Colorado Department of Human Services regulations for child care facilities.
- large - A residence in which care and training is provided for 7 to 12 children or adults, including the provider's own children, except as provided for above.

Day-Care Household Pets: A retail/service facility for the care of dogs or other household pets for periods of less than 24 consecutive hours. Overnight, indoor boarding may be permitted as an accessory use only. Outdoor holding facilities are prohibited in connection with the accessory use.

Density: The number of units per area of measure. For example, the number of dwelling units per acre.

Density - Gross: The total number of units divided by the total land area within the boundary of the project including publicly dedicated streets, open space or other public facilities.

Density - Net: The number of units divided by the land area within the boundary of the project excluding publicly dedicated streets, open space or other public facilities.

Department: The City of Castle Pines Community Development Department.

Designated Elevation: The elevation above sea level determined at each airport in accordance with the approved airport guidelines.

Development: Any change to improved or unimproved real estate, including but not limited to: buildings, structures, mining, dredging, filling, grading, paving, excavation or drilling operations or any alteration to land, buildings or structures which falls under the purview of this Ordinance.

Development Order: Council approval of: residential rezoning or a residential use by special review.

Development Plan: A specific set of regulations establishing lot size, land use, density, lot coverage, open space or other standards and a map depicting land uses within a Planned Development District approved by the Council and recorded in the Office of the Clerk and Recorder. The current and future owners and their assigns are required to develop their property in accordance with this plan.

Director: The Director of the City Community Development Department.

Driveway: A private vehicular access abutting a street, for the exclusive use of the owners and occupants of the lot, lots or project and their invitees, not considered to be a street.

Dude Ranch: A functioning ranch that offers guests the opportunity to participate in activities commonly associated with its operation. The recreational component shall be accessory to the principal ranching operation.

Dwelling: A building or portion thereof used exclusively for residential occupancy, including single-family, two-family and multi-family dwellings, but not including mobile homes, hotels, motels, motor homes, or tents. Manufactured homes certified pursuant to the "National Manufactured Housing Construction and Safety Standards Act of 1974", 42 U.S.C. 5401 et seq., as amended and Section 30-28-115 of the Colorado Revised Statutes shall be deemed a dwelling unit.

Dwelling - Multifamily: A dwelling situated on 1 lot and arranged, designed or intended for occupancy by 2 or more families living independently of each other, including condominiums and duplexes, but excluding therefrom hotels and motels.

Dwelling - Single Family: A dwelling situated on 1 lot and arranged, designed or intended for occupancy by not more than 1 family in compliance with the City building code. The dwelling must function as a continuous enclosure without any impassable separation such as a wall or floor. Dwelling spaces joined by a garage or breezeway are considered to be a separate dwelling.

Dwelling - Single Family, attached: A dwelling with primary ground floor access to the outside, which is attached to another unit by a party wall without openings, and is situated on 1 lot. The term is intended primarily for such dwelling types as townhouses, cluster units, patio homes.

Easement: An acquired right of use, interest or privilege in land owned by another.

Enhanced Specialized Mobile Radio Service (ESMR): A type of communication technology that is used primarily by fleet-dispatched service providers and closed system mobile radio users.

Entertainment Event: A public presentation that provides amusement for, or holds the attention of, those in attendance, including a concert, festival, carnival, revival, or other

similar activity, held on a one time or occasional basis. Entertainment event does not include a wedding reception, family reunion, or private picnic.

Equipment - Small: Vehicles/equipment not exceeding the following gross vehicle weights: Motorized - 18,000 lbs.; nonmotorized - 6,000 lbs.

Equivalent Residential Unit or ERU: The demand for Public Facilities generated by a proposed residential development which is equivalent to the demand for Public Facilities generated by 1 single family dwelling.

Existing Capacity: The capacity of the existing built and operational public facilities, as determined by the service provider.

Existing Demand: The demand for public facilities from existing (*built*) development.

Family: An individual or 2 or more persons related by blood, marriage, or legal adoption; or a maximum of 5 persons (*excluding servants*) living together as a nonprofit, unlicensed, single housekeeping unit, maintaining a common household.

A family may include up to 4 children or 2 adults who may be unrelated to any or all of the other residents but who under the care and supervision of the adult family head of household through the foster care system

A family shall not include more than 1 registered sex offender over the age of 18, unless related by blood, marriage, or legal adoption.

A family may include those persons defined by the Internal Revenue Code as dependents of the occupants of the subject premises.

Farm and Commercial Garden Building: A building or structure used to shelter or enclose livestock, poultry, feed, flowers, field equipment or similar uses.

Feedlot: Any tract of land or structure, pen/corral wherein cattle, horses, sheep, goats, swine, or similar livestock are maintained in close quarters for the purpose of feeding such livestock in order to fatten them prior to final shipment to market.

Fence - Solid: Any structure used as a barrier, boundary or means of concealing the interior portion of a lot.

Fire Protection Facilities: Fire stations and major pieces of fire fighting apparatus, including, but not limited to pumpers, quick response vehicles, hook and ladder trucks, and similar equipment, owned and operated by City fire districts.

Firing Range: A public or private facility designed to provide training in the use of firearms, or for practice in discharging firearms for use by persons other than the owner or resident lessee or their immediate family members.

Flood - 100 year: The flood having a 1% chance of being equaled or exceeded in any given year. It is also known as a "base flood".

Floodplain: The area adjoining any river, stream, watercourse, lake or other body of standing water which is subject to inundation by a 100-year flood. Refer to the floodplain overlay district section for more information.

Flood Area - Gross: The sum of the horizontal area, measured in square feet, of all floors of a building measured from the exterior face of the wall including stairwells or elevator shafts and excluding unfinished basements or attics, garage space, or unenclosed porches.

Flood Area - Net: The sum of the horizontal floor area, measured in square feet, of all floors of a building measured from the interior face of the exterior wall excluding therefrom, stairwells, elevator shafts, covered malls, covered walkways, roof patio areas, covered entries, covered parking, covered driveways, covered loading areas, utility rooms and storage areas.

Floor Area Ratio - F.A.R.: Determined by dividing the gross floor area of all buildings on a lot by the total area of that lot.

Frontage: The length of a parcel/lot abutting a right-of-way.

Garage:

Private - A building, or portion thereof, including carports, in which only private or pleasure-type motor vehicles used by the owners or resident tenants of the land are stored or kept.

Public - A building, or portion thereof, other than a private garage, used for the parking of automobiles.

Golf Course: A recreational facility primarily used for the purpose of playing golf, including associated food service, retail sales areas, and staff offices, excluding residential and other non-golf recreational uses.

Grade: The elevation of the finished surface of the ground.

Greenhouse: A structure used for the propagation, cultivation or growing of nursery stock such as flowers, bulbs, plants, trees, shrubs or vines.

Group Home: A residence that provides non-institutional housing for persons living as a single housekeeping unit as follows: *[Per 30-28-115 CRS]*

- A group of no more than 8 persons with developmental disabilities living in a state-licensed group home or community residential home; or
- A group of not more than 8 persons with a mental illness living in a state-licensed group home; or

- A group of not more than 8 persons 60 years of age or older who do not need nursing facilities

Group Homes that do not meet the conditions listed shall be considered Group Residential Facilities for purposes of this Ordinance.

Group Residential Facility: A residence that provides a community living environment for individuals requiring custodial care, medical treatment, or specialized social services. This term includes, but is not limited to: specialized group child care home, facility or center; residential child care facility; residential treatment facility; shelters for the homeless; shelters from domestic violence; residential facilities for those living together as a result of criminal offenses; and homes for individuals that are HIV positive or afflicted with the AIDS virus.

Guest House: A dwelling attached or unattached to the principal dwelling, used to house guests of the occupants of the principal dwelling, and which shall not be rented or leased, or held in ownership by other than the owner of the principal dwelling.

Heliport: Any area used by helicopters for commercial or business purposes, including landing and take-off, passenger and cargo loading, maintenance and fueling facilities.

Home Occupation: A business use conducted on the site, which is clearly incidental and secondary to the use of the land for residential or agricultural purposes; that does not change the character of the dwelling, lot, or neighborhood; and that allows the resident to work at home. Such uses as a motor vehicle repair or body shop, bed and breakfast establishment, medical clinic, hospital, kennel, animal clinic/hospital, retail business, warehousing and distribution, or any similar use generating more than occasional or minimal vehicular or pedestrian traffic shall not be allowed as a home occupation.

Homeowners' Association: An association of homeowners within a residential area created to govern the area with powers including but not limited to: the setting and collection of expense assessments from the members of the association, the control and maintenance of common areas, and the enforcement of protective covenants.

Horse - Boarded: A horse, not owned by the landowner or lessee, kept on the landowner or lessee's property for a period of 24 hours or more.

Horse - Nonowned: A horse not solely owned by the owner or lessee of the land. A horse leased for the exclusive use of the lessee shall be considered to be an owned horse.

Horse - Owned: A horse solely owned by the owner or lessee of the land. A horse leased for the exclusive use of the lessee shall be considered to be an owned horse.

Horse Rental Stable: A facility where horses, ponies, or mules are rented to the general public for recreational purposes.

Hospital: An institution providing health services primarily for human in-patient medical or surgical care for the sick or injured and including related facilities such as laboratories, out-patient departments, training facilities, central services facilities and staff offices that are an integral part of the facilities.

Hotel: Any building arranged, designed or intended as a temporary lodging place for human beings, with or without meals, in which there are 6 or more guest rooms or suites, and in which only minimal provision may be made for cooking in any individual room or suite.

Hunting/Fishing Club: Individuals gathered for the express purpose of participating in recreational activities directly related to hunting, fishing and similar outdoor sportsman activities that typically take place on club-owned land.

Impact Area: The area within which a proposed residential development is presumed to create a demand for public facilities and which area, therefore, will be evaluated to determine whether the capacity of public facilities is adequate to accommodate the demand created by existing residential development, committed development and the proposed residential development. The impact areas for specific public facilities are as follows:

- (1) Water Facilities:
 - Source and treatment facilities - the service area of the service provider.
 - Water pressure - the proposed residential development site and any transmission or distribution mains providing water to the proposed residential development site.
- (2) Wastewater Facilities: the service area of any service district, package treatment plant or other wastewater system serving the proposed residential development.
- (3) Fire Protection Facilities: the boundaries of the district providing fire protection service to the proposed residential development.
- (4) Regional Parks: Citywide.
- (5) Public Schools: High School Feeder Areas as designated by the Douglas County School District.
- (6) Streets: the area, including all streets and collector/collector and collector/arterial intersections, extending from the proposed residential development to and including the intersection with the nearest state or federal highway.

In-Home Elder Care: Providing 24-hr. in-home care for 6 or fewer elderly persons (*60+ years old*), not related to the members of the household, who are ambulatory and are not mentally ill or developmentally disabled, who because of impaired capacity for independent living elect protective oversight, but do not require regular 24-hour medical or nursing care. The care provider shall reside at and maintain their primary place of residency in this home, be licensed by the State, and may have 1-2 nonresident helpers. The limitation contained in §30-28-115(2)(f), C.R.S., requiring that a group home for the aged not be located within 750' of another such group home, shall not apply to in-home elder care facilities.

Industrial Park: A tract of land with two or more separate industrial buildings or related uses planned, designed, constructed, or managed on an integrated and coordinated basis with special attention to on-site traffic patterns, parking, utilities, building design and orientation, and open space.

Junk Yard: A building, structure or parcel of land, or portion thereof, used for the collecting, storage or sale of waste paper, rags, scrap metal or discarded material; or, for the collecting, dismantling, storage, salvaging, or demolition of vehicles, machinery or other materials.

Kennel: Any structure or area used to house dogs, cats or other household pets or used for grooming, breeding, boarding, training or selling of animals. Limited health-care facilities may be accessory to this use.

Landfill: A site used for the disposal of junk, garbage or other waste material including biodegradables imported from off-site. The burying of biodegradable material that originated on-site shall not be considered a landfill provided all applicable requirements are met and necessary permits obtained.

Landing Field - Private: An area of land or water designed for the landing or take-off of aircraft for the benefit of the landowner/lessee and not to be used for commercial purposes.

Landscape: Improvement to an area of land by the planting of a combination of trees, shrubs and ground covers.

Legal Description: A written metes and bounds description of the boundary of a parcel of real property by a Professional Land Surveyor (PLS), for the purpose of perpetuating location and title. The description must recite all ties and monuments, recorded or physical, which will determine the correct position of the boundary, all references to adjoining lands by name and record, and a full dimensional recital of the boundary courses in succession which shall be mathematically correct. The description must be accompanied by an exhibit or map showing all pertinent information as described in the narrative.

Level of Service (LOS): An indicator of the extent or degree of service provided by, or proposed to be provided by, a public facility based upon and related to the operational characteristics of the public facility; or the capacity per unit of demand for each public facility.

Level of Service, Adopted: The level-of-service standards as adopted in Appendices A and B herein.

Lot: ~~A parcel of land designated as a lot on a recorded plat or a parcel of land that has been recorded by a deed in the Office of the Douglas County Clerk and Recorder provided such lot was created in compliance with the State land-use laws and City subdivision and zoning regulations in effect at the time the lot/parcel was created. Also, lot of record. (A tax parcel is not necessarily a lot of record)~~ Means that real property

around the primary residence and the buildings thereon that are commonly used for domestic and residential purposes. (Ord 11-11)

Corner - A lot abutting two or more adjacent streets which have an angle of intersection of not more than 135 degrees.

Double Frontage - A lot abutting two nonintersecting streets as distinguished from a corner lot.

Flag - A lot having access or an easement to a public or private street by a narrow, private right-of-way.

Interior - A lot other than a corner lot.

Lot - Area of: The area of a lot exclusive of streets, City-dedicated land or open space.

Lot - Buildable: A lot of record that complies with all the requirements of the zoning district within which it is located, or a nonconforming lot provided such lot was created in compliance with the State land-use laws and the City subdivision and zoning regulations in effect at the time the lot was created. *(A tax parcel may or may not be a buildable lot.)*

Lot - Nonconforming: A lot that has less than the required minimum area or width as established by the zone in which it is located.

Lot Line: Any boundary of a lot. The classifications of lot lines are:

Front: The lot line separating the lot from a street. On a corner lot or double frontage lot each lot line separating the lot from a street is considered a front lot line. Where a lot is not abutting a street, other than by its driveway, that lot line which faces the principal entrance of the main building is the front lot line.

Rear: The lot line opposite and most distant from the front lot line; however, for corner lots the rear lot line may be any lot line not abutting a street. For triangular, pie-shaped, or irregularly-shaped lots the rear lot line shall be deemed to be a line within the lot having a length of 10 feet, parallel to and most distant from the front lot line for the purpose of determining required setbacks.

Side: Any property boundary line which is neither a front lot line nor rear lot line.

Major Reservoir(s): Any body of water within the State of Colorado having a surface area at high water line in excess of 100 acres excepting livestock water tanks as defined in Article 49 of Title 35, C.R.S. 1973.

Manufactured Housing: A factory-built, single-family structure that is manufactured and certified under the authority of 42 U.S.C. Section 5401, the National Manufactured Home Construction and Safety Standards Act, in compliance with Section 30-28-115 of the Colorado Revised Statutes. Manufactured housing is different than a mobile home.

Marijuana: All parts of the plant of the genus cannabis whether growing or not, the seeds thereof, the resin extracted from any part of the plant, and every compound, manufacture, salt, derivative, mixture or preparation of the plant, its seeds, or its resin including marijuana concentrate. "Marijuana" does not include industrial hemp, nor does it include fiber produced from the stalks, oil, or cake made from the seeds of the plant, sterilized seed of the plant which is incapable of germination, or the weight of any other ingredient combined with marijuana to prepare topical or oral administrations, food, drink or other product.

Marijuana Cultivation Facility: An entity licensed to cultivate, prepare and package marijuana and sell marijuana to retail marijuana stores, to marijuana product manufacturing facilities and to other marijuana cultivation facilities, but not to consumers.

Marijuana Establishment: A marijuana cultivation facility, marijuana testing facility, marijuana product manufacturing facility or a retail marijuana store.

Marijuana Product Manufacturing Facility: An entity licensed to purchase marijuana; manufacture, prepare and package marijuana products; and sell marijuana and marijuana products to other marijuana product manufacturing facilities and to retail marijuana stores, but not to consumers.

Marijuana Products: Concentrated marijuana products and marijuana products that are comprised of marijuana and other ingredients and are intended for use or consumption, such as, but not limited to, edible products, ointments and tinctures.

Marijuana Testing Facility: An entity licensed to analyze and certify the safety and potency of marijuana.

Medical Marijuana Business: Means any enterprise or activity, whether or not for profit, gain or benefit that is undertaken for the purpose of cultivating, producing, possessing, storing, processing, dispensing, distributing or selling medical marijuana and without limiting the foregoing, including specifically Medical Marijuana Centers, Medical Marijuana Infused Product Manufacturers and Optional Premises Cultivation Operations. A Medical Marijuana Business does not include the lawfully authorized activities undertaken by a patient or primary care-giver in accordance with this zoning ordinance.

Medical Marijuana Center: Means that business described in Section 12-43.3-402 of the Colorado Medical Marijuana Code, as may be amended, which would sell medical marijuana to a patient or a primary care-giver as these persons are defined by Section 14 of Article XVIII of the Colorado Constitution.

Medical Marijuana Infused Products Manufacturer: Means that business described in Section 12-43.3-404 of the Colorado Medical Marijuana Code as may be amended.

Medical Marijuana Plants: Means marijuana plants, seedlings or any part thereof in a living condition that are lawfully cultivated, produced, possessed, or processed pursuant to the provisions of Article XVIII, Section 14 of the Colorado Constitution, the Colorado Medical Marijuana Code, the Colorado Medical Marijuana Program and other applicable laws or regulations governing the cultivation, production, possession or processing of medical marijuana.

Medical Use: Means that use described in Article XVIII, Section 14 of the Colorado Constitution, the Colorado Medical Marijuana Code and the Colorado Medical Marijuana Program.

Metes and Bounds: A method of describing or locating real property; metes are measures of length and bounds are boundaries; this description starts with a well-marked point of beginning and follows the boundaries of the land until it returns once more to the point of beginning.

Microwave Dish: A device for receiving or transmitting radio frequency/electromagnetic waves.

Mineral: An inanimate constituent of the earth, in either solid, liquid or gaseous state that, when extracted from the earth, is usable in its natural form or is capable of conversion into usable form as a metal, a metallic compound, a chemical, an energy source, a raw material for manufacturing or construction material.

Mineral Resource Area: An area in which minerals are located in sufficient concentration in veins, deposits, bodies, beds, seams, fields, pools or otherwise, as to be capable of economic recovery. The term includes but is not limited to any area in which there has been significant mining activity in the past, there is significant mining activity in the present, mining development is planned or in progress, or mineral rights are held by mineral patent or valid mining claim with the intention of mining.

Mining: The withdrawal or refinement of materials including but not limited to: minerals (either solid, liquid, or gas which are usable in their natural form or converted to a usable form when extracted from the earth), sand, gravel, quarry aggregate, oil, natural gas, coal, dimension or landscape stone, peat and metals. Mining does not include surface or groundwater found in Castle Pines.

Mobile Home: A portable structure used or designed to be used for living or sleeping purposes, transportable on its own wheels and requiring only minor work after arrival on its site to become suitable for occupancy. A mobile home is allowed as a dwelling only in the 18 MH zoning district or as a use by special review in accordance with Section 21 of this Ordinance. (*Refer to Manufactured Housing and Modular Home*)

Mobile Home - Converted: A mobile home that has been placed on a permanent foundation and taxed as real estate. Converted mobile homes shall be permitted only in mobile home zoning district, or as a use by special review in accordance with Section 21 of this Ordinance.

Mobile Home Park: A parcel of land under single or unified ownership or control within which spaces are rented for occupancy by mobile homes.

Mobile Home Subdivision: An area of land subdivided for occupancy by mobile homes exclusively, and containing lots in divided or separate ownership.

Modular Home: A prefabricated living unit, designed to become a permanent building, which meets the building standards of the City Building Code.

Motel: A building or group of detached or connected buildings designed or used primarily for providing sleeping accommodations for automobile travelers and having a parking area adjacent to each unit.

Nonconforming Building: A building that does not meet the bulk requirements of the zoning district in which it is located, but which complied with applicable regulations at the time the building was constructed.

Nonconforming Use: A use of land that does not comply with the use regulations for its zoning district but which complied with applicable regulations at the time the use was established.

Nonurban Areas: Nonurban Areas as designated on the Douglas County Master Plan Land Use Map and as defined in the City Master Plan.

Nursing Home: A 24-hour residential care facility, licensed by the state, providing some level of skilled nursing or medical service.

Office - Professional: A place of business for predominantly administrative, professional, or clerical operations, i.e., accountant; architect; attorney; bookkeeper; broker; doctor; dentist, chiropractor; psychologist; drafter; bank; savings and loan; insurance company; credit union; credit-reporting agency; developer; contractor; engineer; surveyor; planner; insurance agency; interior design; landscape architect; pharmacy; notary; stenographer; clerical services.

Open Space: Public or private land and aquatic areas that are regulated or managed to protect the natural environment and significant cultural resources; provide recreation and agricultural opportunities; shape the pattern of urban development, or any combination thereof, including yards and common areas and including a limited number of buildings and accessory uses compatible with intended use. Open space shall be deemed not to include driveways, parking lots, or other surfaces designed or intended for vehicular travel.

Optional Premises Cultivation Operation: Means that business described in Section 12-43.3-403 of the Colorado Medical Marijuana Code as may be amended.

Parcel: All contiguous land held under one deed irrespective of the method of legal description used.

Park: A tract of land identified for public use by zoning or subdivision action, or designated by an authorized public entity, for recreational, educational, or cultural purposes.

Parking - Off-Street/Lot: An area other than a street or alley that is permanently reserved and maintained for the parking of motor vehicles on a temporary basis - daily or overnight.

Patient: Means a person who meets the definition of patient under Article SVIII, Section 14(1)(d) of the Colorado Constitution and applicable law.

Personal Communication Service (PCS): A type of wireless communication technology capable of transmitting voice, data and paging that utilizes small geographic areas on a tight grid of interconnected sites.

Personal Wireless Communication Facility: Any unstaffed facility for the transmission and/or reception of voice, data and paging signals consisting of one or more of the

following elements: antennas, support towers, or accessory equipment buildings or structures.

Personal Wireless Communication Services: The term used to collectively describe low-powered, unmanned facilities providing wireless telecommunication services including, but not limited to, paging, enhanced specialized mobile radio (ESMR), personal communication service (PCS), commercial mobile radio service (CMRS), cellular telephone and similar technologies, to a small geographic area within a network of interconnected sites. The power density at the property line or lease area shall not exceed the radio frequency emission standards set by the FCC.

Physician: Means a doctor of medicine as defined in Article XVIII, Section 14(1)(e) of the Colorado Constitution and meeting all requirements of Section 25-1.5-106 C.R.S.

Planned Capacity: The capacity to be added by planned capital improvements.

Planned Capital Improvements: See "Capital Improvements, Planned."

Planned Development: A zoning district for an area of land controlled by one or more landowners, which is developed under a single development guide for mixed use.

Planning Area: An area of land within a Planned Development defined by acreage, use, density, etc., and whose boundaries are defined by the alignment of arterials or collectors or as otherwise depicted on the Development Guide.

Planning Commission: The City of Castle Pines Planning Commission.

Planning Office: The City of Castle Pines Planning Office.

Plant Nursery: An area of land used to raise trees, shrubs, vines or other plants, for transplanting or sale.

Plat: A map and supporting materials of certain described land prepared in accordance with the Castle Pines Subdivision Ordinance as an instrument for recording of real estate interests with the County Clerk and Recorder.

Primary Care-giver: Means a person who meets the definition of primary care-giver under Article XVIII, Section 14(1)(f) of the Colorado Constitution and applicable law.

Primary Residence: Means the place that a person, by custom and practice, makes his or her principle domicile and address and to which the person intends to return, following any temporary absence, such as vacation. Residence is evidenced by actual daily physical presence, use and occupancy of the primary residence and the use of the residential address for domestic purposes, such as, but not limited to, slumber, preparation of and partaking of meals, regular mail delivery, vehicle and voter registration, or credit, water and utility billing. A person shall have only one primary residence. A primary residence shall not include accessory buildings.

Primary Urbanization Area (PUA): The Primary Urbanization Area as designated on the Douglas County Comprehensive Master Plan Land Use Map and as defined in the City Comprehensive Master Plan.

Principal Building: A building in which the primary use of the lot/parcel on which the building is located is conducted.

Principal Use: The main use of land or structures, as distinguished from an accessory use.

Public Facilities: Capital improvements including water facilities, wastewater facilities, fire protection facilities, public schools, regional parks and streets.

Public Schools: Elementary schools, middle schools, or high schools and charter schools, capital equipment provided therein and the land needed therefore.

Recreation Facility - Indoor: An establishment providing recreational activities, completely enclosed by a structure, such as bowling alley, gymnasium, roller skating or ice skating, billiards, pool, theater, swimming pool or related amusements. This does not include adult entertainment establishments.

Recreation Facility - Outdoor: An area used primarily for outdoor recreational activity, i.e., swimming pool, tennis court, basketball court, soccer field, baseball diamond, park, playground or other similar uses not specifically addressed, and may include structures for restrooms, locker rooms, maintenance equipment storage.

Recreation Facility - Community: An indoor/outdoor area or other facility used for social or recreational purposes, generally open to the public, including active play fields, swimming pools, tennis or basketball courts, play apparatus, or picnic areas and generally serves residents within a 5 to 7 mile radius.

Recreation Facility - Neighborhood: An indoor/outdoor area or other facility used for social or recreational purposes, generally open to the public, including active play fields, swimming pools, tennis or basketball courts, play apparatus, or picnic areas and generally serves residents within a 2 mile radius.

Recreational Vehicle: A motor home, travel or camping trailer, van or truck camper, with or without self-motive power, boat, jet ski, motorcycle or all-terrain vehicle.

Recreational Vehicle Storage Yard: An area of land and associated structures arranged, designed or intended to accommodate the temporary parking or storage of unoccupied recreational vehicles.

Regional Parks: Park land and related facilities thereon which support both passive and active recreational activities for all Castle Pines residents, which is owned by Castle Pines, or which may be owned by another local governmental entity within incorporated Castle Pines which is at least 50 acres in size.

Registered Sex Offender: Any person who is required to register their place of residence with the Sheriff's Department or other local law enforcement agency in accordance with §18-3-412.5 C.R.S., as amended.

Religious Retreat: A site, together with its accessory buildings and uses, designed and designated solely for religious reflection or contemplative activities, maintained and controlled by a religious organization to sustain worship.

Residence - Caretaker: A dwelling or mobile home designed or intended for occupancy by a person(s) owning, employed in or dealing with, and responsible for the security and maintenance of the land on which it is situated. A caretaker's residence shall meet the principal use setbacks.

Residential Rezoning: A rezoning from a zoning district that does not permit residential uses to a zoning district that permits residential uses, unless within a planned development maintaining the dwelling unit cap, or a rezoning from a zoning district that permits residential uses to a zoning district that permits an increased number of dwelling units.

Retail Marijuana Store: An entity licensed to purchase marijuana from marijuana cultivation facilities, and marijuana and marijuana products from marijuana product manufacturing facilities and to sell marijuana and marijuana products to consumers.

Retail/Service Business: A commercial use characterized by the selling of tangible goods/merchandise or services/intangibles directly to the consumer.

Retirement Home: One or more buildings containing dwellings where the occupancy is restricted to persons at least 55 years of age, or couples where either spouse is at least 55 years old. This may contain special support services, *i.e., convalescent or nursing facilities, and central dining facilities.*

Rezoning: A revision to the City Zone District Map.

Right-of-way: Land acquired by reservation, dedication, prescription or condemnation and intended to be occupied by a road, trail, water line, sanitary sewer or other public use.

Runway (Landing Strip): An area of land used for aircraft landing or take-off.

Satellite Dish: (see Antenna)

Satellite Earth Station: A telecommunication facility consisting of multiple satellite dishes for transmitting and receiving signals from orbiting satellites.

School: An institution or facility that provides a curriculum of elementary, secondary, or post-secondary academic instruction including:

- A. College/University: A school providing higher education beyond grade 12, which offers either a two-year or four-year degree in specific disciplines;
- B. K-12: A school, public or private, which meets State of Colorado standards for providing instruction for students between five (5) and eighteen (18) years of age, including, but not limited to, vocational schools and special education schools. (Ord. 10-05)

Separated Urbanization Area (SUA): Separated Urbanization Areas as designated on the **Douglas County Master Plan Land Use Map** and as defined in the City Master Plan.

Setback: The required minimum horizontal distance between the location of structures or uses and the related front, side, or rear lot line measured perpendicular to such lot line.

Front - a setback extending across the full width of the lot measured perpendicular to the front lot line.

Rear - a setback extending across the full width of the lot measured perpendicular to the rear lot line.

Side - a setback extending from the front lot line to the rear setback measured perpendicular to the side lot line.

Street - a setback extending across the full width of the lot measured perpendicular to the front lot line.

Sexually Oriented Business: An adult arcade, adult bookstore, adult novelty shop, adult video store, adult cabaret, adult motel, adult motion picture theater, adult theater, sexual encounter establishment, or nude model studio. The definition of sexually oriented businesses shall not include an establishment where a medical practitioner,

psychologist, psychiatrist, or similar professional person licensed by the state engages in medically approved and recognized sexual therapy.

"Specified Anatomical Areas" include any of the following:

- (1) Less than completely and opaquely covered human genitals, pubic region, buttocks, anus, or female breasts below a point immediately above the top of the areola; or
- (2) Human male genitals in a discernibly turgid state, even if completely and opaquely covered.

"Specified Sexual Activities" includes any of the following:

- (1) The fondling or other intentional touching of human genitals, pubic region, buttocks, anus, or female breasts
- (2) Sex acts, normal or perverted, actual or simulated, including, but not limited to, intercourse, oral copulation, sodomy, sadomasochism or bestiality;
- (3) Masturbation, actual or simulated; or
- (4) Human genitals in a state of sexual stimulation, arousal or tumescence:
- (5) Excretory functions as part of or in connection with any of the activities set forth in subsections (a) thru (d) of this subsection.

Adult Arcade: An establishment where, for any form of consideration, one or more still or motion picture projectors, slide projectors, or similar machines or other image producing machines, for viewing by five or fewer persons each, are used to show films, motion pictures, video cassettes, slides or other photographic reproductions which are characterized by the depiction or description of "specified sexual activities" or "specified anatomical areas".

Adult Bookstore, Adult Novelty Store or Adult Video Store:

- (1) A commercial establishment which:
 - (a) devotes a significant or substantial portion of its stock-in-trade or interior floor space to;
 - (b) receives a significant or substantial portion of its revenues from; or
 - (c) devotes a significant or substantial portion of its advertising expenditures to the promotion of the sale, rental or viewing (for any form of consideration) of books, magazines, periodicals or other printed matter, or photographs, films, motion pictures, video cassettes, slides or other visual representations which are characterized by the depiction or description of "specified sexual activities" or "specified anatomical areas";
- (2) An establishment may have other principal business purposes that do not involve the offering for sale, rental or viewing of materials depicting or describing "specified sexual activities" or "specified anatomical areas", and still be categorized as an adult bookstore, adult novelty store, or adult video store. Such other business purposes will not serve to exempt such establishment from being categorized as an adult bookstore, adult novelty

store or adult video store so long as the provisions of sub-section (1) are otherwise met.

Adult Cabaret: A nightclub, bar, restaurant or other commercial establishment, which regularly features:

- (1) persons who appear nude or in a state of nudity; or
- (2) live performances, which are characterized by the exposure of "specified anatomical areas" or by "specified sexual activities."

Adult Motel: A motel, hotel or similar commercial establishment which:

- (1) offers public accommodations, for any form of consideration, and provides patrons with closed-circuit television transmissions, films, motion pictures, video cassettes, slides or other photographic reproductions which are characterized by the depiction or description of "specified sexual activities" or "specified anatomical areas" and which advertises the availability of this sexually oriented type of material by means of a sign visible from the public right-of-way, or by magazines, pamphlets or leaflets, radio or television, or
- (2) offers a sleeping room for rent for a period of time less than 10 hours, or
- (3) allows a tenant or occupant to sub-rent a sleeping room for a time period of less than 10 hours.

Adult Motion Picture Theater: A theater, concert hall, auditorium or similar commercial establishment which, for any form of consideration, regularly features persons who appear in a state of nudity or live performances which are characterized by exposure of "specified anatomical areas" or by "specified sexual activities."

Nudity or State of Nudity: (1) the appearance of the human bare buttock, anus, male genitals, female genitals, or the areola or nipple of the female breast; or (2) a state of dress which fails to opaquely and fully cover a human buttock, anus, male or female genitals, pubic region or areola or nipple of the female breast.

Nude Model Studio: Any place where a person, who appears in a state of nudity or displays "specified anatomical areas" is provided for money or any form of consideration to be observed, sketched, drawn, painted, sculpted, photographed, or similarly depicted by other means. The definition of "nude model studio" does not apply to:

- (1) a college, junior college or university supported entirely or partly by taxation;
- (2) a private college or university which maintains and operates educational programs in which credits are transferable to a college, junior college or university supported entirely or partly by taxation; or
- (3) a business located in a structure which has no sign visible from the exterior of the structure and no other advertising that indicates a nude person is available for viewing; and where, in order to participate in a class a student must enroll at least 3 days in advance of the class; and where no more than one nude model is on the premises at any one time.

Sexual Encounter establishment: A business or commercial establishment, that as one of its primary business purposes offers, for any form of consideration, a place where two or more persons may congregate, associate or consort for the purpose of "specified sexual activities" or the exposure of "specified anatomical areas" or activities when one or more of the persons is in a state of nudity. An adult motel will not be classified as a sexual encounter establishment by virtue of the fact that it offers private rooms to rent.

Shopping Center: A grouping of retail business or service uses on a single site with common parking facilities and open space.

Sign: Anything designed to inform or attract the attention of people, but excluding therefrom any flag of any government or governmental agency.

Site Improvement Plan: The plans and supplemental materials, including a grading and drainage plan, a landscape plan and other detailed information, drawn and submitted in accordance with this Ordinance.

Stealth or Faux Design: A personal wireless communication facility or element thereof, that is disguised, camouflaged, hidden or incorporated into an existing or proposed structure or placed within an existing or proposed structure so as to minimize or eliminate its visibility from off site.

Street: Land intended primarily for vehicular traffic and providing the principal means of access to property, including a road, lane, drive, avenue, highway, boulevard, or any other thoroughfare other than a driveway.

Regional/Major Arterial - A street or highway significant to the region serving the major centers of activity which carries the major portion of the trips entering and leaving an urban area, as well as, the majority of through movements desiring to bypass towns or neighborhoods.

Minor Arterial - A street, that interconnects with and augments the regional arterial system, which distributes travel to geographic areas smaller than those identified with the regional/major arterial system and provides intracommunity continuity, but ideally should not penetrate identifiable neighborhoods.

Collector - A street which distributes trips from the arterial to the ultimate destination. The collector system provides both land access service and local traffic movement within residential neighborhoods, commercial areas and industrial areas.

Local - A street which provides direct access to abutting land and access to the arterial and collector road network. Service to through traffic movement usually is deliberately discouraged.

NOTE: For identification of these types of roads within the City refer to the **Douglas County Transportation Plan**.

Street - Private: A privately owned access way generally constructed to City specifications and not maintained by the City.

Street - Public: All public property reserved or dedicated for vehicular traffic constructed in compliance with the Douglas County Roadway Design and Construction Standards and the Douglas County Storm Drainage Design and Technical Criteria manual.

Structure: Anything constructed or erected in, under, over or upon the land, or attached to something in, under, over, or upon the land, but excluding therefrom walks, patios, off-street parking areas, fences and walls, and electrical distribution, natural gas or water and sewer lines.

Permanent - That which is built in such a manner, that it would reasonably be expected to last and remain useful for more than 5 years.

Temporary - A structure that is not a permanent structure, or one that is constructed for a special purpose in contemplation of removal upon accomplishment of such. Temporary shall mean a period of 6 months.

Subject Land: Real property which is the subject of the regulations set forth in this Resolution.

Support Tower: A vertical, ground-mounted structure designed and engineered for the purpose of supporting antennas for the transmission and/or reception of radio signals.

Lattice Tower: A self-supporting tower with multiple legs and cross bracing designed to support antennas.

Monopole: A self-supporting tower consisting of a single support of wood, metal or concrete designed to support antennas.

Guyed Tower: A tower designed to support antennas and requiring guy wires for stability.

Swimming Pool: Any structure intended for swimming or recreational bathing capable of containing water greater than 42 inches in depth. This includes in-ground, above-ground, and on-ground swimming pools, hot tubs, and spas. Any fencing required in association with such structure shall be permanently affixed to the ground

Telecommunications Facility: A facility and all elements thereof, including but not limited to support towers, antennas, and accessory equipment buildings, that together facilitate communication by the electronic transmission of telephone, radio, television, internet, wireless, or microwave impulses of an FCC licensed carrier, but excluding those used exclusively for private radio and television reception, private citizen's band, amateur radio communications.

Personal wireless communication facilities that exceed the height requirements provided for by this Zoning Ordinance shall be considered telecommunication facilities and therefore subject to all applicable provisions.

Temporary Emergency Shelter: A facility used on a temporary basis for the purpose of housing individuals or families affected by disasters or emergency situations.

Townhome: An individual dwelling unit situated on 1 lot but attached to 1 or more similar dwelling units by a common wall or party wall. Where such a unit is attached to another, the property line shall be the center of the common wall or party wall. The owner of a townhome unit may have an undivided interest in common areas and elements appurtenant to such units.

Training: To coach or instruct an individual in a specific general area of equine expertise, or to physically condition a horse to be ridden, handled, or to perform upon command.

Urban: Urban areas as defined in the **Douglas County Comprehensive Master Plan**.

Utility - Major Facility:

- Pipelines and storage areas of utilities providing natural gas or petroleum derivatives;
- Appurtenance: A use or structure which is incidental and subordinate to, and devoted to the Utility-Major Facility;
- Power Plant: Any electrical energy generating facility with an energy generation capacity of 50 megawatts or more, and Appurtenance(s);
- Substation: Any facility designed to provide switching, voltage, transformation, or voltage control required for the transmission of electricity exceeding 115 kilovolts (kV);
- Transmission Lines: Any electric transmission line and Appurtenance(s) which emanate from a power plant or a substation and terminate at a substation and which are designed for or capable of, the transmission of electricity exceeding 115 kV;
- Wastewater Treatment Facility: A facility or system for treating, neutralizing, stabilizing, or disposing of domestic wastewater, which facility or system has a designed capacity to receive more than two thousand (2,000) gallons per day of domestic wastewater. The term Wastewater Treatment Facility also includes Appurtenance(s) to such system or facility, such as outfall sewers and equipment related to such Appurtenances;
- Water Storage/Treatment Facility: A facility used for water storage with a designed capacity of 300,000 gallons or more and/or treatment, except wellhead disinfection, of 10,000 gallons per day or more; and/or a Major Reservoir; and/or facilities and/or structures for the export of water outside the City; including, but not limited to, water diversion structures, headgates, forebays; and all associated Appurtenances. Water storage tanks must be buried, unless this requirement is waived by the Director due to geological/topographical conditions that would prevent burial.

Utility Service Facility: Any Neighborhood Substation, Personal Wireless Communication Facility, Water Storage/Treatment Facility:

- Neighborhood Substation: Any facility used for the purpose of reducing voltages to levels of 115 kV, or less, for distribution to individual users;
- Personal Wireless Communication Facility: Any unstaffed facility for the transmission and/or reception of voice, data and paging signals consisting of one or more of the following elements: antennas, support towers, or accessory equipment buildings or structures;
- Water Storage/Treatment Facility: A facility used for water storage with a designed capacity of less than 300,000 gallons and/or treatment of less than 10,000 gallons per day. Water storage tanks must be buried, unless this requirement is waived by the Director due to geological/topographical conditions that would prevent burial.

Variance: A grant of relief from certain provisions of this Ordinance, as provided in and limited by the Variance section of this Ordinance.

Veterinary Clinic/Hospital: A structure where animals are brought for medical or surgical treatment and may be held during the time of treatment and recuperation. Overnight, indoor boarding may be permitted as an accessory use only. Outdoor holding facilities are prohibited in connection with the accessory use.

Warehouse: A building, or portion thereof, for storing goods, wares and merchandise for the owner or for others.

Wastewater Facilities: Structures or systems designed for the collection, transmission, treatment or disposal of sewage and includes trunk mains, interceptors, and treatment plants, including package treatment plant and disposal system and on-site septic systems.

Water Facilities: Systems or structures designed to collect, treat, or distribute potable water, and includes water wells, treatment plants, and storage facilities.

Water and Sewer Facilities - Public: Facilities of a municipality, public utility, nonprofit corporation, sanitation or water or other special district, that are constructed, operated or maintained to provide water or sewer service.

Watercourse: A channel, natural depression, slough, artificial channel, gulch, arroyo, stream, creek, pond, reservoir or lake in which storm runoff and flood water flows either regularly or intermittently, including major drainageways for carrying urban storm runoff.

Wholesale Business: A business use characterized by the selling of tangible goods/merchandise or intangibles/services directly to the retailer or contractor or the assembly or manufacturing of products.

Wind Energy Conversion System: Any mechanism including blades, rotors or other moving surfaces designed for the purpose of converting wind energy into mechanical or electrical power. Towers, tower bases, guy wires and any other structures necessary for the installation of small wind energy conversion systems are also included. A large-scale system designed for the generation of commercial power shall be considered a major utility facility for purposes of this Ordinance.

Yard: In this Ordinance the term yard is not used, as such term represents a distance that is established in a like manner as that of a setback.

Youth-Oriented Agricultural Activities: Special activities oriented toward children and held for educational, instructional or recreational purposes, including but not limited to: 4-H, pony club, Little Britches.

Zero Lot Line: The location of a structure on a lot in such a manner that one or more of the structure's sides rest directly on a lot line with no easement or setback requirement including two adjoining structures on separate lots sharing a common wall.
