

RESOLUTION NO. 19-32

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CASTLE PINES, COLORADO AMENDING THE CITY OF CASTLE PINES FEE SCHEDULE

WHEREAS, pursuant Section 10.3 of Article 10 of the City of Castle Pines Home Rule Charter, the City Council shall determine, by resolution, the amount of any new City-imposed fee or change in the amount of any existing City-imposed fee for any service rendered by the City (specifically excluding franchise fees), based on the direct and indirect costs of providing services; and,

WHEREAS, it is the intent of the City of Castle Pines to charge appropriate fees and charges that are consistent with the services provided and to cover the public cost of providing these various services so that the public is not subsidizing individual benefits derived therefrom; and,

WHEREAS, the City Council wishes to establish by this resolution the amounts of certain fees, rates, and charges, commencing with the effective date of this resolution,

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CASTLE PINES, COLORADO THAT:

Section 1. Pursuant to authorization in the Castle Pines Municipal Code, the Castle Pines City Council hereby establishes or changes certain fees, rates, and charges (collectively, "Fees") in accordance with the City's Fee Schedule attached as Exhibit A ("Fee Schedule") to this resolution and made a part hereof.

Section 2. **Effective Date.** The Fee Schedule set by this Resolution shall be effective January 1, 2020 and may thereafter be amended from time to time by resolution of the City Council.

Section 3. The Fees set by this resolution shall supersede and replace any Fees previously set or adopted by the City Council for the same purpose. However, the same shall not be deemed to release, extinguish, alter, modify or change in whole or in part any liability which shall have been previously incurred, and any superseded or replaced Fee shall be treated and held as still remaining in force for the purpose of sustaining any and all proper actions, suits, and proceedings thereon, as well as for the purpose of sustaining any judgment, decree, or order.

Section 4. Beginning on January 1, 2021, except for rates established by Colorado State Statute, the Fees set forth for the year 2020 shall be increased annually effective January 1 of each succeeding year by the preceding June reported increase of the Consumer Price Index ("CPI") for the Denver-Aurora-Lakewood area for All Urban Consumers, or other measure commonly used by the City should it change; provided, however, that notwithstanding any reduction in the CPI, Fees shall not decrease. In making such annual adjustments, the City Council finds that adjusting fees in accordance with the CPI will help the City cover the cost of providing services and programs for which the fees are imposed. The City staff is authorized to amend the Fee Schedule consistent with this Section 4 on an annual basis, and shall post and keep current such Fee Schedule on the City's website.

Section 5. If any portion of this Resolution is held to be invalid for any reason, such decision shall not affect the validity of the remaining portions hereof.

INTRODUCED, READ AND ADOPTED AT A REGULAR MEETING OF THE CITY COUNCIL OF THE CITY OF CASTLE PINES BY A VOTE OF 6 IN FAVOR, 0 AGAINST, AND 1 ABSENT THIS 10TH DAY OF DECEMBER 2019.
