

# ULDC - OPEN-DOOR STUDY SESSION LAND USES AND USE REGULATIONS

---

March 13, 2025

# OUTLINE

- Purpose of ULDC (Donna)
- Background (Donna)
- Review selected land uses (Chair Rants)
- Feedback opportunity (Chair Rants)
  - The Planning Commission and staff will listen to all feedback and all perspectives and take notes. No decisions are being made tonight.
  - Staff may offer contrarian views to elicit critical thinking.
  - The goal is to understand the impacts of land uses and if any “use regulations” are needed.
- Next Steps (Donna)

# WHY ARE WE UPDATING OUR LAND USE CODES?

- Support the Comprehensive Plan.
- Improve compatibility of current development with existing and future development.
- Provide greater certainty and predictability for property owners, developers, builders, and residents.

# BACKGROUND

- Land Use: How land is used or occupied.
- Zoning: The legal means to regulate land use and intensity of development. The rules of development.
- Every property within the City has Zoning. Zoning includes a menu of permitted uses. The City controls the menu.
- Developers, builders, property owners, and residents choose what they want to develop on a property from the menu of permitted uses.
- Review selected uses and discuss if they need special site design standards to best fit into the community.
- Principal use: The main use or structures of the property.
- Accessory use: An incidental, customary, and subordinate use or structure to the principal use of the property, structure, or building on the same lot.
