Budget Message

September 30, 2025

Dear Mayor Engerman, Members of the City Council, and Citizens of the City of Castle Pines,

I am pleased to present for your consideration the 2026 Annual Budget for the City of Castle Pines, a financial plan that reflects our community's shared priorities, provides the resources to build on recent progress, and sets a clear course for advancing the goals outlined in the 2025–2026 Strategic Plan. This budget balances near-term service needs with long-term investments in infrastructure, community amenities, and organizational excellence, while maintaining the City's strong commitment to fiscal stability.

The 2026 budget was developed through a collaborative process that engaged City Council, staff, and community partners, ensuring that resources are aligned with both current service demands and long-term priorities. This document is more than a financial plan, it reflects the community's vision for safe infrastructure, vibrant public spaces, and responsive local government. By maintaining conservative forecasting, adhering to the City's reserve policy, and strategically investing in capital projects and community amenities, the budget provides a roadmap that balances fiscal responsibility with bold investments in Castle Pines' future.

2025 STRATEGIC PLAN ALIGNMENT

SAFE AND SUSTAINABLE INFRASTRUCTURE

The 2026 budget marks a historic commitment to Castle Pines' transportation network, with nearly \$16 million in capital improvements, the largest single-year transportation investment in the City's history.

The centerpiece of this effort is the start of construction on an expanded and reconfigured diverging diamond interchange at the Happy Canyon Road and I-25 intersection, a multi-year \$44 million construction project that will greatly improve regional mobility and safety through strong partnerships with Douglas County, DRCOG, CDOT, and private development.

Equally important, the budget proposes investing \$4.0 million in the Pavement Maintenance Program, ensuring local streets are maintained and improved in a manner consistent with the pavement condition index (PCI) work presented to City Council this past summer. At that time, Council supported staff's recommendation to maintain a citywide PCI rating of 80, recognizing that proactive investment in pavement maintenance is essential to preserve the City's most valuable infrastructure asset. This benchmark guides both near-term maintenance and long-term capital planning, ensuring that Castle Pines' transportation system remains safe, reliable, and financially sustainable.

The budget proposes continuing implementation of infrastructure improvements defined in the Road Solutions Plan with improvements to westbound Castle Pines Parkway from Monarch Boulevard to Forest Park Drive. Together, these three transportation investments demonstrate a comprehensive strategy to improve mobility, extend roadway life, and ensure the City's transportation system meets both current and future needs.

Finally, the 2026 budget includes stormwater infrastructure improvements, including a contribution to the Mile High Flood District for much-needed extensive work on the Happy Canyon Tributary. This follows the City's contribution in 2025, reflecting a strong partnership and multi-year commitment to improving regional drainage infrastructure. The City's strong relationship with Mile High Flood District allows the City to maximize partnerships for capital infrastructure improvement and minimize the City's long-term maintenance costs.

A SENSE OF PLACE

The 2026 budget invests nearly \$6 million in projects and programs that strengthen Castle Pines' identity and enhance the quality of life for residents. The largest share of this investment is \$3.2 million in park improvements, guided by the continuing recommendations of the Parks, Recreation, and Advisory Board (PRAB). Funding previously transferred from the Castle Pines North Metro District will be fully used in 2025. Beginning in 2026, all parks' operations, maintenance, and capital needs will be fully supported by the voter-approved 12-mill property tax, ensuring sustainable long-term funding for this critical community amenity. Our future challenge will be in capital infrastructure costs, with the limitation of the 12-mills, given that the Metro Districts had budgeted 15 to 17 mills for the same operation and capital costs.

The budget includes funding to renovate the Community Center to provide a dedicated civic space for future City Council, board meetings, and improved public use, reducing reliance on the library event hall and strengthening the City's ability to host public meetings.

Community events remain a vital way of fostering connections and creating a sense of community across Castle Pines. The 2026 budget provides funding to support community events, ensuring that residents have opportunities throughout the year to gather and celebrate together.

The City will also invest in another gateway project, this year being monumentation at the Northbound offramp at Castle Pines Parkway and I-25 as another highly visible project that identifies the City, reflecting City Council's commitment to defining the City's character and identity.

Finally, we are getting closer to establishing a unique ZIP code for Castle Pines, an initiative that will strengthen community identity, improve service delivery, enhance revenue collections, and distinguish Castle Pines within the region. Together, these efforts build a stronger, more connected community and reinforce Castle Pines as a vibrant and distinctive place to live.

VIBRANT AND HEALTHY ECONOMIC DEVELOPMENT

After a national search resulting in 17 responses, a highly qualified and well-respected firm was selected, and the development of an entirely new Castle Pines Economic Development Plan was kicked off in 2025. The project will continue into 2026, culminating in a final draft with strategic recommendations that will provide the City Council with clear priorities, an implementation framework with measurable outcomes, and actionable steps to strengthen Castle Pines' long-term economic resiliency.

During this period, City Council also engaged with area developers who shared expert perspectives on the unique characteristics of Castle Pines and how the community can leverage these strengths to attract quality commercial development. These insights, along with the consultant's analysis, will inform the plan's final recommendations and ensure the resulting strategy is both locally relevant and regionally competitive. Discussions with local landowners indicate that 2026 will be the year that we see the vacant commercial land start to be platted and concept designs being presented to the City. The timing of landowners moving to develop with the completion of the Economic Development Plan should result in a strong alignment between the City and the private development to see the goals of the Council adopted plans come to fruition.

In addition, the City will continue to support the Castle Pines Urban Renewal Authority (URA) as a vehicle for redevelopment and reinvestment opportunities and maintain its strong partnership with the Castle Pines Chamber of Commerce to foster business connections and expand advocacy. Together, these initiatives will guide Castle Pines toward a more vibrant and resilient economy.

GREAT GOVERNMENT

The 2026 budget continues the City's commitment to fiscal stewardship, organizational excellence, and transparent governance. The General Fund is balanced, maintains compliance with the City's 25 percent reserve policy, and reflects conservative revenue forecasting to ensure resiliency during uncertain economic conditions.

Castle Pines remains one of the smallest employee-based municipal organizations in Colorado when compared to peer cities, relying on a contract-based model rather than a large employee workforce. Yet, despite its size, the City consistently accomplishes much, delivering high-quality services and advancing major capital projects with efficiency and accountability. Recognizing the importance of supporting this lean but high-performing structure, the first policy question for Council each year remains employee compensation. The proposed budget includes a compensation adjustment, consistent with the City's compensation philosophy, endorsed by City Council in 2022.

In addition, the 2026 budget includes funding for an outsourced comprehensive compensation study. When the previous study was completed in-house in 2022, the City established the practice of updating salary ranges annually, as needed, based on informal market surveys of other municipalities, and conducting a comprehensive salary survey every three to five years. The upcoming study fulfills that commitment and will ensure the City's salary ranges remain competitive with the defined comparative/competitive market.

The 2026 budget also advances important initiatives that support efficiency, accountability, and long-term sustainability. This includes completing the update of the Unified Land Development Code (ULDC), conducting a fee study for planning, zoning, and public works, funding a necessary update of the City's Comprehensive Plan, and developing a construction use tax collection system for horizontal projects such as developer-built roads, underground utilities, and other infrastructure.

Finally, the City completed a Leadership Program in 2025 that focused on team alignment, organizational values, and leadership development. Outcomes of this program will guide the municipal organization internally into 2026 and beyond, reinforcing a culture of accountability, innovation, collaboration, and service excellence across all departments.

Together, these reflect a balanced approach to governance, supporting the workforce that drives City services, modernizing key systems, and maintaining fiscal discipline, ensuring Castle Pines remains well positioned to deliver on Council's strategic goals and serve the community with excellence and innovation.

Each of the key focus areas outlined in the 2026 budget are directly tied to the 2025–2026 Strategic Plan. Investments in transportation and mobility advance the focus area of Safe and Sustainable Infrastructure. Parks, community events, and gateways enhance A Sense of Place. Economic development planning, URA efforts, and partnerships with the Chamber of Commerce support Vibrant and Healthy Economic Development. Plus, continued commitment to reserves, compensation, organizational values, and system improvements all reinforce the City's dedication to Great Government.

Together, these four key focus areas ensure that the City's financial resources are aligned with Council's vision and community priorities, providing both a near-term roadmap for 2026 and a foundation for long-term success:

- **SAFE AND SUSTAINABLE INFRASTRUCTURE** – advancing major roadway improvements, continuing the Road Solutions Plan, investing in the pavement maintenance program, and supporting stormwater infrastructure improvements.
- **A SENSE OF PLACE** – enhancing community identity through parks, events, and gateways, the Community Center renovation, and pursuing a unique ZIP code for Castle Pines.
- **VIBRANT AND HEALTHY ECONOMIC DEVELOPMENT** – completing a new Economic Development Strategic Plan, supporting URA initiatives, and an ongoing partnership with the Chamber of Commerce.
- **GREAT GOVERNMENT** – maintaining fiscal stewardship through the reserve policy, investing in employee compensation and leadership development, and modernizing codes, fees, and planning tools.

To advance these focus areas, City Council is asked to provide direction on several policy questions as part of the 2026 budget process.

POLICY QUESTIONS

Each year, the budget submittal includes a set of policy questions for City Council, highlighting areas where Council's direction is needed to guide the allocation of resources and the advancement of major initiatives. The 2026 budget is no exception, with policy questions tied directly to the focus areas of the 2025–2026

Strategic Plan. These questions ensure that the budget reflects both Council’s vision and the community’s priorities for the year ahead.

A summary of the policy questions is below. Full details, including the proposed funding amounts, applicable funds, and narrative explanations, are provided in the Policy Question Section of the budget.

GREAT GOVERNMENT

1. Does City Council support increasing staff compensation in 2026, in line with the City’s compensation philosophy to remain competitive to include performance-based pay adjustments?
2. Does City Council support an update to the 2021 Comprehensive Plan?

SAFE AND SUSTAINABLE INFRASTRUCTURE

3. Does City Council support continued work on the Road Solutions Plan with improvements to Castle Pines Parkway westbound from Monarch Blvd to Forest Park Drive?
4. Does City Council support funding the pavement maintenance program consistent with the PCI target of 80?
5. Does City Council support continuing the City’s multi-year investment in stormwater infrastructure, including a contribution in 2026 to the Mile High Flood District for improvements to the Happy Canyon Tributary?
6. Does City Council affirm its support for construction on the multi-year Happy Canyon Road/I-25 interchange project in 2026?

A SENSE OF PLACE

7. Does City Council support park capital improvements with priorities shaped by the PRAB?
8. Does City Council support continuing investment in gateway monumentation that will enhance the City’s community identity?
9. Does City Council support remodeling the Community Center to create a dedicated civic space for City Council and board meetings?

As always, staff will incorporate City Council’s direction on these policy questions into the final recommended budget, ensuring that the adopted budget advances the City’s strategic goals while maintaining long-term financial sustainability.

KEY HIGHLIGHTS

GENERAL FUND

- The proposed 2026 budget projects an ending fund balance of \$2.0 million, equal to 26% of operating expenditures, in full compliance with the City’s reserve policy and ensuring continued financial resiliency.
- Revenues are forecast at \$14.2 million in 2026, a 2% decrease from the 2025 budget of \$14.4 million. The primary cause of this decline is lower building permit-related revenues as new home construction slows, offset by stable or modest growth in franchise fees, licenses, and intergovernmental revenues.

- Expenditures total \$7.72 million, a modest 1% increase over the 2025 budget. Notable adjustments include enhanced law enforcement and traffic management (+6%), offset by reductions in Human Resources, City Clerk, and Economic Development following one-time 2025 costs.
 - Compensation Study - Funding for an outsourced comprehensive compensation study, consistent with the City’s stated practice of conducting a full review every three to five years. The City’s compensation philosophy, endorsed by City Council in 2022, establishes that the City will “meet the market” by keeping salary ranges and employee compensation competitive through annual informal salary surveys and a comprehensive market evaluation every three to five years. *Human Resources/Risk Management - \$35,000.*
 - Wildfire Mitigation Contributions - Funding to provide grants to HOAs and residents to assist them with efforts to reduce wildfire risk in alignment with the Castle Pines Wildfire Mitigation Plan. *Interdepartmental - \$40,000.*
 - Fee Study - Funding to conduct a fee study of community development and public works services. This review will evaluate whether current fees recover the actual cost of providing services and compare Castle Pines’ fee structure with neighboring jurisdictions. The study will provide data-driven recommendations to ensure fees are fair, transparent, and aligned with City policy. *Finance - \$25,000.*
 - Unified Land Development Code - Funding to complete the ULDC, which is the City’s consolidated set of zoning, subdivision, and development regulations, and is being updated to ensure consistency with the Comprehensive Plan and to provide modern tools for managing growth and development. *Community Development - \$119,000.*
 - Community Events - Funding continues the strong momentum of Castle Pines’ community events program, building on the success of past years. With funding dedicated to seasonal celebrations and family-friendly activities, residents will enjoy opportunities throughout the year to connect, celebrate, and strengthen the sense of community that defines Castle Pines. *Community Events - \$524,000.*
 - Transfer to the Capital Improvements Fund - Funding to support major transportation projects and other priority capital improvements. The transfer represents the funds available after supporting all General Fund operations and maintaining a 25% reserve, consistent with the policy established by City Council. These resources support major roadway projects and other priority capital improvements. *Transfer - \$6,500,000.*

PARKS AND RECREATION FUND

- Beginning in 2026, all park operations, maintenance, and capital expenditures are consolidated into the Parks and Recreation Fund. This follows the full use of proceeds transferred from the Castle Pines North Metro District (CPNMD) in 2025.
- The fund is supported entirely by the voter-approved 12-mill property tax, now providing a stable and sustainable revenue source projected at \$5.22 million in 2026.
- Expenditures increase to \$8.5 million in 2026, reflecting the City’s expanded role in managing the entire parks system and funding \$3.2 million in capital improvements guided by the Parks, Recreation, and Advisory Board.

- The fund maintains a projected ending balance of \$1.85 million (31%), remaining above the City's reserve requirement.

ROADS FUND

- The Roads Fund is supported by the dedicated 1% sales and use tax, intergovernmental revenues, and Douglas County shareback funding. Revenues are projected at \$5.66 million in 2026, a 2% increase over 2025.
- Expenditures total \$3.64 million, with an additional \$2.0 million transferred to the Capital Improvements Fund for roadway projects.
- The fund maintains an ending balance of \$1.06 million (29%), in compliance with the City's reserve policy.

CAPITAL IMPROVEMENTS FUND

- The Capital Improvements Fund finances \$18 million in transportation and other community infrastructure projects. Revenue includes \$16.8 million from Douglas County, along with \$6.5 million from the General Fund, \$2.0 million from the Roads Fund, and \$908,000 from the Community Capital Investment Fund.

STORMWATER UTILITY ENTERPRISE FUND

- The Stormwater Utility Fund remains entirely fee-supported, with \$746,000 in revenues and \$1.11 million in expenditures planned in 2026. The fund balance is intentionally drawn down to support stormwater infrastructure investments.
- The stormwater utility fee is adjusted from \$105 to \$110 in 2026, the first CPI adjustment since the fee's inception in 2023.
- The 2026 budget includes a \$500,000 partnership contribution to the Mile High Flood District for improvements to the Happy Canyon Tributary, along with \$225,000 for local drainage and pond repairs.
- The fund maintains a healthy \$2.15 million ending balance.

CITY STAFF

In the City of Castle Pines, the achievements outlined in this budget are made possible by the dedication and hard work of a small but highly capable staff of 17.25 full-time equivalent (FTE) employees. The level remains the same in 2026 as there is no staffing increase requested. This lean team consistently delivers exceptional service across all City functions.

What makes Castle Pines unique is its contract-based model of government. In addition to carrying out core responsibilities, City staff manage and oversee an extensive network of contractors who provide specialized services such as law enforcement, engineering, public works, and sales tax collection. This approach allows the City to remain nimble and cost-efficient while still delivering the full range of municipal services expected in a growing community.

Each staff member plays a critical role in both service delivery and contract management, ensuring accountability, high performance, and alignment with City Council priorities. The ability to accomplish so much with such a modest workforce underscores the talent, commitment, and efficiency of the organization. This year’s budget continues to invest in these professionals, who are the backbone of Castle Pines’ progress and long-term success.

The chart below illustrates the allocation of FTEs across departments, highlighting the breadth of responsibilities managed by the City’s staff. Every position represents an essential contribution toward keeping Castle Pines a vibrant, well-served, and resilient community.

CONCLUSION

In closing, the 2026 budget reflects the City's ongoing commitment to fiscal responsibility, strategic investment, and responsive governance. It balances the resources needed to maintain high-quality services today with forward-looking investments that will shape Castle Pines for decades to come. By adhering to Council's reserve policy, aligning resources with the Strategic Plan, and fostering strong partnerships across the region, this budget ensures that the City remains resilient, innovative, and well-positioned for the future. On behalf of staff, I thank City Council for its leadership and guidance, and I look forward to working together to deliver on the vision and priorities of our community in the year ahead.

Best Regards,

Michael Penny, City Manager

POLICY QUESTIONS

POLICY QUESTION #1 – EMPLOYEE COMPENSATION

DOES CITY COUNCIL SUPPORT INCREASING STAFF COMPENSATION IN LINE WITH THE CITY’S COMPENSATION PHILOSOPHY TO REMAIN COMPETITIVE TO INCLUDE PERFORMANCE-BASED PAY ADJUSTMENTS?

FUNDING SOURCES: *General Fund, Parks and Recreation Fund, Roads Fund, Stormwater Fund*

COUNCIL-ADOPTED SUPPORTING POLICY: *Strategic Plan*

STRATEGIC PLAN KEY FOCUS AREA SUPPORTED: *Great Government*

Maintaining competitive compensation is essential for the City to recruit and retain high-quality employees and to continue delivering on the focus areas of the Strategic Plan. The City’s compensation philosophy, endorsed by City Council in 2022, establishes that the City will “meet the market” by keeping salary ranges and employee compensation competitive through annual informal salary surveys and a comprehensive market evaluation every three to five years.

Key considerations include:

- Compensation Philosophy – City Council previously supported the proposed compensation philosophy and the recommended results of the 2022 salary study, reinforcing the City’s ability to remain competitive with peer communities.
- Market Comparisons – Informal surveys of 27 municipalities showed an average increase of 3.9 percent for 2026. Nearby communities averaged 4.8 percent, with Parker at 5 percent, Lone Tree at 4.5 percent, and Castle Rock at 5 percent.
- The 2026 budget includes compa-ratio adjustments to maintain market competitiveness. This includes a 4.5 percent compensation increase for employees, as well as adjustments for the employees who reached years-of-experience milestones within their salary range.
- Budget Impact – On a total compensation budget of \$2.1 million, the 2026 adjustments total \$180,000, comprised of:
 - \$91,000 for the 4.5 percent increase across all employees,
 - \$54,000 in compa-ratio adjustments for milestone achievements, and
 - \$35,000 in percentage-based benefits, retirement contributions, and payroll taxes.

years of experience	compa-ratio % of mid-point
1 to 2	92.0%
3 to 5	96.0%
6 to 7	100.0%
8 plus	102.0%

These adjustments reflect the City’s ongoing commitment to maintaining market competitiveness while supporting employee retention and organizational excellence.

POLICY QUESTION #2 – COMPREHENSIVE PLAN UPDATE

DOES CITY COUNCIL SUPPORT AN UPDATE TO THE 2021 COMPREHENSIVE PLAN?

FUNDING SOURCE: *General Fund*

COUNCIL-ADOPTED SUPPORTING POLICIES: *Strategic Plan, Comprehensive Plan*

STRATEGIC PLAN KEY FOCUS AREA SUPPORTED: *Great Government*

The City's Comprehensive Plan serves as the long-term policy framework for land use and growth management, transportation, parks, recreation and open space, housing, and economic development decisions. Last updated in 2021, the plan now requires review and refinement to ensure it reflects current conditions, community priorities, and City Council's strategic goals and vision for the community.

The 2026 budget includes funding to update the Comprehensive Plan, which will allow the City to incorporate new growth trends, evolving housing, transportation and infrastructure needs, and changing community priorities. State law and professional planning best practices recommend that comprehensive plans be reviewed and updated on a regular basis to ensure they remain relevant and actionable. The 2026 update will also strengthen consistency between the Comprehensive Plan, the Unified Land Development Code (ULDC), and other long-range planning tools such as the Economic Development Plan, Transportation Master Plan, and the Parks and Recreation Master Plan.

Updating the plan in 2026 ensures that Castle Pines continues to have a clear, community-driven roadmap to guide development, infrastructure investment, and community character for the next decade.

Budget Impact – \$60,000

POLICY QUESTION #3 – ROAD SOLUTIONS PLAN IMPROVEMENTS

DOES CITY COUNCIL SUPPORT CONTINUED WORK ON THE ROAD SOLUTIONS PLAN WITH IMPROVEMENTS TO CASTLE PINES PARKWAY WESTBOUND FROM MONARCH BLVD TO FOREST PARK DRIVE?

FUNDING SOURCES: *Capital Improvement Fund via transfer from Roads Fund, General Fund*

COUNCIL-ADOPTED SUPPORTING POLICIES: *Roads Solution Plan, Master Transportation Plan, Safety Action Plan, Comprehensive Plan, Strategic Plan*

STRATEGIC PLAN KEY FOCUS AREA SUPPORTED: *Safe and Sustainable Infrastructure*

The Road Solutions Plan establishes a long-term strategy for addressing major corridors throughout Castle Pines. In 2026, the City proposes to continue this effort with improvements to Castle Pines Parkway westbound from Monarch Blvd to Forest Park Drive. This project builds on recent work along eastbound Castle Pines Parkway and improvements to Monarch Blvd in 2025, furthering progress toward the comprehensive corridor solution.

Advancing this project is consistent with the multi-year Road Solutions Plan investment strategy, which outlines over \$33.9 million in improvements through 2030. By funding this segment in 2026, the City

continues progress toward a comprehensive Parkway corridor solution, complementing the eastbound improvements completed in 2025.

Budget Impact – \$1,750,000

Road Solutions Plan – At a Glance

Started in 2021, the Road Solutions Plan is a long-term investment currently estimated at \$36 million. Funded almost entirely by the City, the plan has already delivered several phases, with the next project in 2026 focused on westbound Castle Pines Parkway from Monarch Blvd. to Forest Park Dr. Projected funding will allow improvements to continue through 2030, completing the plan quicker than originally anticipated 13-year horizon.

Roads Solution Plan	2021	2022	2023	2024	2025

TOTAL	\$ 1,750,000	\$ -	\$ 2,700,000	\$ 2,200,000	\$ 6,000,000

POLICY QUESTION #4 – PAVEMENT MAINTENANCE PROGRAM

DOES CITY COUNCIL SUPPORT FUNDING THE PAVEMENT MAINTENANCE PROGRAM CONSISTENT WITH THE PCI TARGET OF 80?

FUNDING SOURCES: Capital Improvement Fund via transfer from Roads Fund, General Fund

COUNCIL-ADOPTED SUPPORTING POLICIES: Transportation Master Plan, Safety Action Plan, Comprehensive Plan, Strategic Plan

STRATEGIC PLAN KEY FOCUS AREA SUPPORTED Safe and Sustainable Infrastructure

Local streets represent one of the City’s most valuable infrastructure assets. In 2025, City Council reviewed a Pavement Maintenance Program (PMP) analysis and supported staff’s recommendation to maintain a citywide Pavement Condition Index (PCI) rating of 80. Achieving this target requires ongoing investment in proactive maintenance, including resurfacing, overlays, and localized repairs. The 2026 budget provides

dedicated funding to ensure neighborhood roads are maintained consistently with this standard, avoiding more costly reconstruction needs in the future.

Budget Impact - \$4,000,000

POLICY QUESTION #5 – STORMWATER INFRASTRUCTURE INVESTMENT

DOES CITY COUNCIL SUPPORT CONTINUING THE CITY'S MULTI-YEAR INVESTMENT IN STORMWATER INFRASTRUCTURE, INCLUDING A CONTRIBUTION IN 2026 TO THE MILE HIGH FLOOD DISTRICT FOR IMPROVEMENTS TO THE HAPPY CANYON TRIBUTARY?

FUNDING SOURCE: *Stormwater Utility Enterprise Fund*

COUNCIL-ADOPTED SUPPORTING POLICIES: *Transportation Master Plan, Comprehensive Plan, Strategic Plan*

STRATEGIC PLAN KEY FOCUS AREA SUPPORTED *Safe and Sustainable Infrastructure*

Stormwater infrastructure plays a critical role in protecting property, preserving roadways, and improving water quality. The City has partnered with the Mile High Flood District (MHFD) on significant improvements to the Happy Canyon Tributary, contributing \$1.05 million in 2025 toward regional drainage work. The 2026 budget includes an additional \$500,000 contribution as part of this multi-year investment, along with funding for other priority stormwater projects. Continued investment ensures that Castle Pines is resilient to growth pressures and storm events while maintaining compliance with state and federal water quality standards.

Budget Impact: \$725,000, including \$500,000 partnering contribution to MHFD

POLICY QUESTION #6 – HAPPY CANYON ROAD/I-25 INTERCHANGE

DOES CITY COUNCIL AFFIRM ITS SUPPORT FOR BEGINNING CONSTRUCTION ON THE MULTI-YEAR HAPPY CANYON ROAD/I-25 INTERCHANGE PROJECT IN 2026?

FUNDING SOURCES: *Capital Improvement Fund with Contributions from Douglas County and Property Owner Contributions*

COUNCIL-ADOPTED SUPPORTING POLICIES: *Transportation Master Plan, Comprehensive Plan, Strategic Plan*

STRATEGIC PLAN KEY FOCUS AREA SUPPORTED *Safe and Sustainable Infrastructure*

The Happy Canyon Road/I-25 Interchange project represents the largest transportation investment in Castle Pines' history, with a total construction cost estimate of \$44 million. The project will significantly improve regional mobility and safety while supporting future growth in the community. Through 2025, the City will have invested \$4.7 million in pre-construction design, engineering, and in securing necessary approvals from CDOT and FHWA. With construction slated to begin in 2026 and funding commitments already secured from partner agencies, the project is positioned to move forward on schedule. While City Council has previously supported this project, its size and scope warrant explicit affirmation as part of the 2026 budget process.

Budget Impact – \$10,000,000; through the course of this multi-year project, the City has significant commitments of financial support (approx. \$29.1 million) from DRCOG, CDOT, Douglas County, and the adjacent property owners.

Happy Canyon/I-25 Interchange Funding

POLICY QUESTION #7 – PARK CAPITAL IMPROVEMENTS

DOES CITY COUNCIL SUPPORT PARK CAPITAL IMPROVEMENTS WITH PRIORITIES SHAPED BY THE PRAB?

FUNDING SOURCE: *Parks and Recreation Fund*

COUNCIL-ADOPTED SUPPORTING POLICIES: *Parks and Recreation Comprehensive Plan, Comprehensive Plan, Strategic Plan*

STRATEGIC PLAN KEY FOCUS AREA SUPPORTED *Sense of Place*

In 2025, the City completed the transition of parks operations and maintenance from the Castle Pines North Metro District (CPNMD). The dedicated 12-mill property tax now fully funds both operations and capital needs for parks beginning in 2026. The 2026 budget invests approximately \$3.2 million in park capital improvements, guided by the Parks, Recreation, and Advisory Board (PRAB). This investment continues the City’s commitment to building a high-quality parks system that strengthens community identity and quality of life.

Budget Impact: \$3,200,000

POLICY QUESTION #8 – GATEWAY MONUMENTATION

DOES CITY COUNCIL SUPPORT CONTINUING INVESTMENT IN GATEWAY MONUMENTATION THAT WILL ENHANCE THE CITY’S COMMUNITY IDENTITY?

FUNDING SOURCE: *Capital Improvement Fund via transfer from General Fund*

COUNCIL-ADOPTED SUPPORTING POLICIES: *Gateway and Wayfinding Plan, Comprehensive Plan, Strategic Plan*

STRATEGIC PLAN KEY FOCUS AREA SUPPORTED *Sense of Place*

Gateway projects create a visible and lasting impression of Castle Pines while reinforcing community identity. The 2026 budget includes \$1.2 million for monumentation at the northbound offramp Castle Pines Parkway and I-25. This project builds on previous gateway investments and represents another step in establishing a cohesive and welcoming identity for the community.

Budget Impact: \$1,200,000

POLICY QUESTION #9 – COMMUNITY CENTER RENOVATION

DOES CITY COUNCIL SUPPORT REMODELING THE COMMUNITY CENTER TO CREATE A DEDICATED CIVIC SPACE FOR CITY COUNCIL AND BOARD MEETINGS?

FUNDING SOURCE: *Capital Improvement Fund via transfer from Community Capital Investment Fund*

COUNCIL-ADOPTED SUPPORTING POLICIES: *Comprehensive Plan, Strategic Plan*

STRATEGIC PLAN KEY FOCUS AREA SUPPORTED *Sense of Place*

The Community Center, formerly owned by CPNMD and transferred to the City with the parks system, is planned for renovation in 2026. Once renovated, it will provide a dedicated civic meeting space for City Council and board meetings, replacing the current use of the library event hall. The renovation will also allow for a more usable space for the public to utilize. This project enhances community identity, expands civic capacity, and strengthens the City’s ability to host meetings and community gatherings in Castle Pines.

Budget Impact: \$900,000

FINANCIAL OVERVIEW

The Financial Overview provides a high-level summary of the City’s major funds, highlighting how revenues, expenditures, and fund balances align with the strategic priorities established by City Council. This section is intended to give residents and decision-makers a clear picture of the City’s overall financial health, the major trends influencing revenues and expenditures, and the policies that guide the use of available resources. Together, these factors demonstrate the City’s commitment to fiscal stewardship, transparency, and long-term sustainability.

GENERAL FUND

The General Fund is the City’s primary operating fund. It accounts for services provided to the community: public safety, community development, economic development, community events, and communication. The General Fund also accounts for administrative and support services: city manager, city clerk, finance, human resources, legal, and information technology. The City also provides streets, parks, recreation, and stormwater utility services, which are accounted for in their respective funds. The General Fund may also support streets, parks, and other capital improvements via transfers to the various funds.

FUND BALANCE

The table below summarizes the General Fund’s change in fund balance for the 2026 Proposed Budget along with comparisons to 2024 and 2025. The ending fund balance reserve percentage is shown to demonstrate compliance with the City’s fund balance reserve policy, which requires the fund balance to be at least 25% of operating expenditures.

When developing the following year's budget, it is essential to consider the two most recent years. Their outcomes set the stage for the new year’s budget. Among other things, the year-end projected fund balance becomes the following year’s beginning fund balance. The year-end projections for revenues and expenditures are also used to determine the following year’s revenue and expenditures.

The 2026 Proposed Budget projects an ending fund balance of \$1.94 million, equal to 25% of operating expenditures, in compliance with the City’s reserve policy. This outcome is carefully managed by estimating revenues and expenditures and then adjusting the transfer to the Capital Improvements Fund to ensure the 25% reserve is maintained.

Total	14,106,000	13,679,429	14,407,400	14,843,000	-5%	14,159,000

The 2026 General Fund revenue forecast is \$14.2 million, a 5% decrease from the year-end projection of \$14.8 million. The most significant driver of this decline is in Charges for Services, which are projected at \$1.63 million in 2026, down 25% from 2025. This decrease reflects a sharp reduction in building permit revenues tied to the slowdown in new home construction. The City contracts for building department services, with the contractor receiving 60% of building permit fee revenues; therefore, the decrease in revenues is matched by a proportionate reduction in expenditures, minimizing the net budget impact.

Other revenue categories remain stable or show moderate growth. Franchise fees continue to increase, up 4% over 2025, while licenses and permits and fines show modest gains of 2% and 3%, respectively. Intergovernmental revenues are expected to grow slightly at 3%. Offsetting these gains, tax revenues are projected to decline 1% from 2025, largely due to reduced construction use tax collections consistent with the housing slowdown.

Forecast assumptions for 2026 revenues include a 2.7% increase in population and a 1.2% inflationary adjustment applied to those revenue categories influenced by growth and price factors.

EXPENDITURES

The 2026 Proposed Budget includes \$7.73 million in General Fund expenditures, representing a modest 1% increase over the 2025 budget. While overall growth is contained, several departments show notable adjustments as the City aligns resources with ongoing priorities and one-time needs. These investments strengthen Castle Pines' sense of place, foster community connections, and enhance the City's identity. Law Enforcement, the General Fund's largest operational expenditure, grows by 6% to \$2.01 million, primarily reflecting expanded traffic management services and the use of the Flock camera system, which is a license plate recognition technology designed to improve public safety and law enforcement effectiveness. Interdepartmental costs increased 12% to \$617,000, largely due to the planned addition of new software and data tools, including planimetric mapping services through DRCOG, which provide high-resolution data to support planning, infrastructure, and asset management.

General Fund	7,113,200	7,226,379	7,620,700	8,055,000	1%	7,720,000

Several departments see meaningful decreases in 2026. Human Resources/Risk Management expenditures decline by 35% to \$106,000, reflecting both the conclusion of a leadership team consulting engagement in 2025 and the reallocation of property and casualty insurance premiums to the appropriate funds. City Clerk expenditures fall 15% to \$308,000, driven by the absence of election-year costs and the completion of the large-scale scanning and digitization of historical documents. Economic Development decreases by 17% to \$696,000, reflecting a reduction in the Canyons use tax credit, which is lower in 2026 due to the slowdown in new home construction.

GENERAL FUND - ELECTED OFFICIALS

DESCRIPTION

Elected Officials include the City’s Mayor and Council Members who make policy decisions on various City issues, such as approving the annual City budget. They are given the authority to approve resolutions and enact and provide for the enforcement of ordinances, which are City laws. They also appoint the City Manager, who serves the Council and citizens and is responsible for City staff and day-to-day management. Castle Pines is governed by a mayor and six City Council members.

HIGHLIGHTS

- Overall, the 2026 budget reflects a 1% decrease from the 2025 budget.
- The 13% decrease in Purchased services reflects a budget in line with 2025 Year-end Projection.
- Contributions include Douglas County Housing Partnership (\$35,000), Douglas County Youth Initiative (\$25,000), and Douglas County Community Foundation (\$18,000). Other contributions include the Metro Mayors Caucus, the Douglas County Library Foundation, and the Regional Air Quality Council.

GENERAL FUND - CITY MANAGER

DESCRIPTION

The **City Manager's Office** is responsible for the general day-to-day oversight and management of the City of Castle Pines and for directing the development and implementation of the City's operating budget and the City Council's Strategic Plan. The City Manager provides recommendations to the Mayor and City Council, implements policy decisions made by the City Council, participates in City Council meetings, anticipates future needs of the City, and serves as the general representative of the City.

Total	313,400	325,037	327,800	311,000	-2%	321,000

HIGHLIGHTS

- Overall, the 2026 budget reflects a 2% decrease from the 2025 budget.
- Salaries and benefits include a 4.5% compensation increase and a 13.5% increase in health benefits. The 2% overall decrease reflects a reallocation of costs to other funds in 2025, as well as salary differences resulting from recent staff transitions.

STAFF

- City Manager (salary and benefits allocated to Economic Development, Parks and Recreation Fund, Roads Fund, and Stormwater Utility Fund)
- Assistant to the City Manager (salary and benefits allocated Parks and Recreation Fund and Roads Fund)

GENERAL FUND - INTERDEPARTMENTAL

DESCRIPTION

The **Interdepartmental** cost center accounts for expenditures that support the functions of all City departments and cannot efficiently be classified into a specific department (for example, information technology support, office space, printing, central office supplies, postage).

HIGHLIGHTS

- Overall, the 2026 budget reflects a 12% increase from year-end projections.
- Purchased Services are increasing by 27% (\$46,700), mainly from new mapping software and higher IT support.
- Contributions decrease from \$50,000 to \$40,000 as requests from homeowners and HOAs for wildfire mitigation fell to \$38,000 in 2025. The budget is maintained at \$40,000 to provide capacity for other mitigation efforts, including addressing pine beetle destruction.
- 2025 Capital Equipment purchases include a pool vehicle and electronic message boards.

GENERAL FUND - COMMUNICATIONS

DESCRIPTION

The **Communications Department** is responsible for all aspects of the City's communications and community events programs, including, but not limited to, media and public relations, marketing, internal and external communications, community outreach, and city-wide events.

HIGHLIGHTS

- Overall, the 2026 budget reflects a 5% decrease from the 2025 budget.
- Salaries and benefits include a 4.5% compensation increase, a 13.5% increase in health benefits, and a compa-ratio adjustment for a years-of-service milestone, consistent with the City’s compensation philosophy.
- Purchased Services included funding for a community survey in 2025, which is conducted every three years. With that survey completed, the 2026 budget decreases by 28%.

STAFF

- Communications Director (salary and benefits allocated to Parks and Recreation Fund and Roads Fund)
- Communications Specialist (0.5 FTE)

GENERAL FUND – LEGAL SERVICES

DESCRIPTION

Legal Services are provided by a contracted law firm. Their office offers legal services to the City Council, boards, commissions, and administrative staff to enforce the law, avoid or mitigate risks associated with City operations, and protect the legal interests of the City of Castle Pines. Legal services include prosecution of criminal defendants, prosecution of Castle Pines code violations, providing civil defense counsel for the City and employees in administrative, county, state, and federal courts, representing the City in administrative hearings, county, state, and federal courts, and preparing contracts and other legal documents.

Legal Purchased Services	242,000	227,973	264,900	278,000	7%	284,000

HIGHLIGHTS

- Overall, the 2026 budget reflects a 7% increase over the 2025 budget.
- Although this is a 7% increase compared to the 2025 budget, when measured against the 2025 year-end projection the increase is only 2%.
- Purchased services consist of the City’s contracted law firm, Michow Guckenberger & McAskin for which the City receives legal counsel from the firm’s partners and associates with expertise in all aspects of municipal law.

GENERAL FUND – HUMAN RESOURCES AND RISK MANAGEMENT

DESCRIPTION

Human Resources and Risk Management consists of overseeing all aspects of employee relations and organizational risk, including but not limited to recruitment, employee benefits, performance management, compliance with labor laws, workplace safety, employee training and development, and managing the City's risk exposure through insurance and risk mitigation programs.

	2024 Year-end Projection	2024 Audited Actual	2025 Adopted Budget	2025 Year-end Projection	% change 2025 budget	2026 Proposed Budget

Total	164,600	147,339	163,900	118,000	-35%	106,000

HIGHLIGHTS

- Overall, the 2026 budget reflects a 35% decrease from the 2025 budget.
- Purchased Services decreases 41% with the conclusion of the leadership consulting engagement in 2025. However, a compensation study is included in 2026.
- Other Operating decreases 31% due to the reallocation of property and casualty insurance premiums to the appropriate funds.

STAFF

- Staffing is provided by the City Clerk Department

GENERAL FUND - FINANCE

DESCRIPTION

The **Finance Department** is responsible for the City's financial activities, including the administration of sales and use tax, all accounting functions (payroll, accounts payable, accounts receivable, and financial reporting), preparation of the annual budget, and management of cash on hand (investments).

HIGHLIGHTS

- Overall, the 2026 budget reflects a 4% increase over the 2025 budget.
- Salaries and benefits include a 4.5% compensation increase and a 13.5% increase in health benefits. The overall 8% decrease reflects a change in cost reallocations to other funds.
- Purchased Services increases 37% to fund a fee study in 2026.
- Other Operating decreases 10% due to lower credit card fees, consistent with the projected decline in building permits for 2026.

STAFF

- Finance Director (salary and benefits allocated to Parks and Recreation Fund, Roads Fund, and Stormwater Utility Fund)

GENERAL FUND - CITY CLERK

DESCRIPTION

The **City Clerk's Office** works with the City Council, the City Manager, and all other City departments. It is responsible for preparing agenda packets, meeting minutes, liquor licensing, parks and recreation reservations, records management, legal notices, public records requests (CORA), election management, coordinating with the municipal court, and municipal code maintenance. The City Clerk also oversees the Human Resources and Risk Management function.

GENERAL FUND - MUNICIPAL COURT AND LAW ENFORCEMENT

DESCRIPTION

Municipal court services are contracted with the court clerk and municipal judge. The court is committed to administering justice expeditiously and timely with equality, fairness, and integrity.

Law enforcement services are contracted with the Douglas County Sheriff. Services include reactive patrol to enforce laws and respond to calls for service, proactive patrol to prevent and deter criminal activity, traffic patrol to enforce City traffic codes, investigation of crimes, and other services provided to all County residents.

Law Enforcement						
Purchased Services	1,843,000	1,869,112	1,899,400	1,969,000	6%	2,010,000

HIGHLIGHTS

MUNICIPAL COURT

- Overall, the 2026 budget reflects a 7% increase over the 2025 budget, driven by the higher fee for the new municipal judge.

LAW ENFORCEMENT

- Overall, the 2026 budget reflects a 6% increase over year-end projections.
- Most of the budget is directly tied to the City’s 4.5 property tax mill levy for law enforcement services provided by Douglas County Sheriff.
- Additional services include traffic enforcement, security, and animal control. Traffic management costs exceeded budget expectations in 2025, and the 2026 budget reflects those higher levels along with the annual lease of the Flock camera system to enhance public safety.

GENERAL FUND - COMMUNITY DEVELOPMENT

DESCRIPTION

The **Community Development Department** comprises building, code enforcement, planning, and zoning. The Building Division implements and enforces building codes and standards, examines construction plans, inspects building construction, and enforces International Building Codes. The Code Enforcement Division enforces the zoning ordinance. The Planning and Zoning Division administers and enforces zoning and subdivision ordinances and the Comprehensive Plan, reviews development applications, permits signage, and administers GIS mapping services.

GENERAL FUND - ECONOMIC DEVELOPMENT

DESCRIPTION

The **Economic Development** division accounts for activities that foster job growth and enhance the City's economic landscape through business attraction, retention, and expansion. Key priorities include supporting existing businesses, attracting new businesses that create employment opportunities and generate revenue, promoting development along major transportation corridors, improving housing quality and availability, redeveloping underperforming areas, and making strategic investments in parks and open spaces to stimulate high-quality development and strengthen community connections.

HIGHLIGHTS

- Overall, the 2026 budget reflects a 17% decrease from the 2025 budget.
- The 2025 year-end projection for Purchased Services includes funding for the Economic Development Strategic Plan.
- Other Operating includes memberships with the Castle Pines Chamber of Commerce and the South Metro Denver Chamber of Commerce.
- The Sales & Use Tax credit equals 50% of the 2.75% construction use tax revenue collected within the east-side development for new home construction, as established in the development agreement.

STAFF

- Salary and benefits include a portion of the City Manager’s FTE

GENERAL FUND - COMMUNITY EVENTS

DESCRIPTION

The **Community Events Department** manages the City’s community events, which are held annually in the spring, summer, fall, and holidays to enhance the sense of our Castle Pines community and promote regional awareness and economic development.

Total	431,200	550,844	454,000	569,000	32%	598,000

HIGHLIGHTS

- Overall, the 2026 budget reflects a 32% increase over the 2025 budget. 2025 expenditures are tracking in line with 2024. The 2025 budget was based on projected year-end 2024, which was inaccurate. Since no new events or program changes are planned, 2024 and 2025 had minor changes and the 2026 budget reflects only an inflationary increase.
- Salaries and benefits include a 4.5% compensation increase, a 13.5% increase in health benefits, and a compa-ratio adjustment for a years-of-service milestone, consistent with the City’s compensation philosophy.

STAFF

- Community Events and Recreation Programming Manager (0.75 FTE)

PARKS AND RECREATION FUND

DESCRIPTION

The **Parks and Recreation Fund** accounts for the revenues and expenditures necessary to maintain City parks and recreational amenities and to improve and acquire parks, recreation, trails, and open spaces.

The 2026 Annual Budget is the first year of all parks, recreation, trails, and open space operations are accounted for in a single fund.

All parks, trails, and open space facilities and operations were transferred from both the Castle Pines North Metro District and North Pine Vistas Metro District. Both districts transferred all funds on hand to the City for which the City accounted for in separate restricted funds until those proceeds were fully used for purposes in the metro district areas.

In 2023, City voters approved a city-wide 12-mill property tax dedicated to parks, recreation, trails and open space purposes. By way of agreement, all metro districts within the City reduced their property tax by 12 mills. The City started collecting the 12-mill property tax in 2024.

For 2024 and 2025, the following budget presentation conglomerates all three funds (North Pine Vistas MD Fund, Parks and Recreation North Fund (CPNMD)) to provide a better comparison of City-wide Parks and Recreation between those years and 2026.

HIGHLIGHTS

- City-wide Parks and Recreation activity begins with a fund balance of \$4.88 million and is drawn down by \$3.02 million to \$1.85 million due to capital improvements.
- The \$1.85 million ending fund balance is 30% of operating expenditures, which remains above the City’s 25% reserve policy requirement and reflects a healthy reserve position.

HIGHLIGHTS

- Revenues are driven primarily by the dedicated 12-mill property tax, which now provides a stable and predictable source of funding for the City’s parks system.
- Property tax revenues totaled \$5.11 million in 2025 and are forecast to grow 2% to \$5.22 million in 2026, reflecting assessed valuation growth. Park Fees and Interest represent the remaining revenue sources.
- In total, revenue is expected to increase 4% from \$5.40 million to \$5.46 million.

***PRIOR YEARS WERE ACCOUNTED FOR IN THREE SEPARATE RESTRICTED FUNDS.**

HIGHLIGHTS

- Total parks and recreation budgeted operating expenditures increase 5% from \$5.01 million in 2025 to \$5.28 million in 2026.
- The first table above illustrates expenditures grouped by expenditure type and the second table shows the breakdown of expenditures by park, open space, trails, and roadway/entryway landscaping.
- Salaries and Benefits include a 4.5% compensation increase, a 13.5% increase in health benefits, and a compa-ratio adjustment for a years-of-service milestone, consistent with the City’s compensation philosophy.

- Capital Improvements consists of \$2.2 million in ongoing improvements at Coyote Ridge started in 2025 (\$7.9 million total), and \$1.0 million for park improvements to be recommended by the Parks and Recreation Advisory Board for City Council consideration.
- Contributions is the contribution to the Rueter-Hess Reservoir, which the City has continually supported, along with other Douglas County jurisdictions, since 2018.

STAFF

- Parks and Recreation Director
- Parks, Trails, and Open Space Manager
- Parks Foreman
- Salary and benefits include allocation of City Administration and Public Works FTEs

PARKS AND RECREATION NORTH FUND

DESCRIPTION

The **Parks and Recreation North Fund** is a temporary fund that accounts for funds received from the Castle Pines North Metro District to own, operate, and maintain specific public improvements previously the District’s responsibility. Following the City’s successful election to create its funding for parks and recreation, this fund will be dissolved once all funds from the District are used.

HIGHLIGHTS

- The Roads Fund closed 2024 with an ending balance of \$897,384, stronger than the year-end projection of \$710,100 leaving the fund with a 38% reserve ratio, well above the City's 25% policy requirement.
- In 2025, projected revenues of \$5.34 million combined with expenditures of \$3.39 million and a transfer of \$1.81 million to the Capital Improvements Fund are projected to result in an ending balance of \$1.03 million. This maintains the fund at a healthy 30% reserve ratio.
- The 2026 budget forecasts revenues of \$5.66 million, with expenditures of \$3.64 million and a transfer of \$2.0 million to the Capital Improvements Fund.
- Ending fund balance remains consistent at \$1.06 million, representing a 29% reserve.

Total Revenue	5,086,500	5,032,840	5,525,900	5,337,000	2%	5,661,000

HIGHLIGHTS

- Revenues are projected to total \$5.66 million in 2026, representing a modest 2% increase over the 2025 budget. The fund’s largest revenue source, taxes, is forecast at \$3.24 million in 2026, a 3% decline from 2025. This reflects the slowdown in new home construction and the resulting decrease in construction use tax.
- Offsetting this decline is growth in intergovernmental revenues (Highway User Tax Fund and Douglas County Shareback revenue) which are expected to reach \$1.98 million in 2026, a 6% increase over 2025.

HIGHLIGHTS

- Total expenditures projected at \$3.64 million in 2026, a 3% increase over 2025. This stability reflects the City’s efforts to manage roadway costs while maintaining service levels and continuing essential repairs and maintenance.
- Salaries and Benefits include a 4.5% compensation increase, a 13.5% increase in health benefits, and a compa-ratio adjustment for a years-of-service milestone, consistent with the City’s compensation philosophy. In addition, 2026 includes a temporary position that is being advertised in 2025 to provide added oversight during the peak of roadway and infrastructure construction, including the Happy Canyon Road Interchange, ensuring quality, compliance, and coordination without a long-term staffing commitment.

- Repairs and maintenance remain steady at about \$1.95 million in 2026, underscoring the City's commitment to its regular maintenance of roadways, including snow removal, pothole repairs, striping, street sweeping, streetlights, and traffic signals.
- The Sales/Use Tax Credit declines 20% to \$225,500, tied directly to the slowdown in construction activity in The Canyons development, where the credit is applied against new home construction use taxes.

STORMWATER UTILITY FUND

DESCRIPTION

The **Stormwater Utility Fund** accounts for expenditures for the administration, operation, maintenance, and improvements to the City’s stormwater system and the revenues collected. As an enterprise fund, fees pay expenses, not taxes.

FUND BALANCE

	2024 Year-end Projection	2024 Audited Actual	2025 Adopted Budget	2025 Year-end Projection	2026 Proposed Budget
STORMWATER UTILITY ENTERPRISE FUND					
Beginning Fund Balance	2,811,200	2,811,145	2,651,300	3,248,219	2,563,219
Revenue	709,900	755,168	749,800	805,000	746,000
Total Funds Available	3,521,100	3,566,313	3,401,100	4,053,219	3,309,219
Expenditures	(869,800)	(318,094)	(809,000)	(1,490,000)	(1,105,000)
Ending Fund Balance	\$ 2,651,300	\$ 3,248,219	\$ 2,592,100	\$ 2,563,219	\$ 2,204,219

HIGHLIGHTS

- With \$746,800 in revenue and \$1.11 million in expenditures, the fund balance is intentionally drawn down to support critical stormwater drainage investments.
- The fund is projected to close 2026 with a strong balance of \$2.20 million, maintaining financial stability while saving funds to address known future priority infrastructure needs.

REVENUE

Charges for Services	607,500	608,669	644,400	715,000	5%	676,000
Other	72,400	88,322	85,400	80,000	-30%	60,000
Total Revenue	709,900	755,168	749,800	805,000	-1%	746,000

HIGHLIGHTS

- Residential and commercial stormwater utility management fees are the primary funding source for expenses.
- The stormwater utility fee is adjusted annually based on the Denver-Aurora-Lakewood Consumer Price Index, increasing from \$105 to \$110 in 2026. No CPI adjustments were made in 2023 or 2024, making this the first adjustment since the fee’s inception. In addition, City Council may consider additional fee increases to ensure the fund can support critical stormwater infrastructure needs that cannot be met at current fee levels.
- The decrease from the 2025 year-end projection reflects collections of significant past-due amounts from 2023 and 2024 that are not expected to recur at the same level in 2026.

HIGHLIGHTS

- Overall, the 2026 proposed budget reflects a 37% increase from the 2025 budget.
- Salaries and Benefits include a 4.5% compensation increase, a 13.5% increase in health benefits, and a compa-ratio adjustment for a years-of-service milestone, consistent with the City’s compensation philosophy.
- Purchased Services decreased in 2026 to align with actual spending levels observed in 2024 and 2025.
- Other Operating increases 12% in 2026 due to funding enhanced software tools that support stormwater management needs.
- Capital Improvements
 - Partnership with the Mile High Flood District for improvements to the Happy Canyon Tributary - \$500,000 in 2026 and \$1.05 million in 2025. These investments reflect the City’s ongoing partnership with MHFD to deliver regional stormwater infrastructure improvements that benefit Castle Pines and the broader watershed.
 - \$225,000 is budgeted to address drainage, sidewalk overflow, failing cutoff wall, and pond issues.

STAFF

- Stormwater Manager
- Salary and benefits include allocation of City Administration and other Public Works FTEs
